Product Description

Adult Pull Ups

Our Advantages :

Our strong strength for OEM (manufacture individual care products with your brand name package)are listed as follows:

Our Pr

Our factory is a Chinese professional manufacturer for adult pull ups and other similar products in Weifang, Shangong, China, very near to Qingdao port.

Necessary certificates required by you including FDA certificate, CE certificate and ISO9001 certificate and national level I Medical Equipment approved certificate have already been achieved by our company.

Large factory area can provide enough space for warehouse and production, our company possess the biggest covering area, you can see this when you visit our big factory.

Sufficient with different kinds of raw material stock available for your option, different dimension and structure can meet your different requirements.

Nine international level production lines with high precision and quick speed can guarantee delivery time and good quality.

Different kinds of OEM products are available, they include adult diaper, adult diaper underwear (pull ups), sanitary napkin (including woman pad and menstrual pad), disposable underpad (disposable nursing pad), disposable puppy pad, disposable woman menstrual briefs etc..

Many years' Rich OEM experience for many customers in the world, some customers are listed in "The world's Top 500 Enterprises", Our customers are from Europe, America, South American, Middle East Asia and Asia etc..

Complete organization structure with detailed responsibility can guarantee your order is smoothly finished with good quality and within expected time.

Delicious food, comfortable living room, reward for reasonable suggestions and excellent performance, all kinds of sports activities and other positive activities make our workers work with good mood, good health and high efficiency, this can guarantee good quality and maximum production capacity.

Product Features:

Adult pull ups is a kind of adult diaper, adult pull ups is like our regular underwear, it can be put on or taken off in the same way of underwear, however, adult diaper is not like this, its waistband must be adhesed together with adhesive sticker.

Quick and high absorbency:

Product surface will get dry after one and half minute adsorption time. It can absorb liquid with volume many times higher than itself. It can keep dry after absorbing urine, we can make this test for you when you visit factory.

Comfortable

Breathable structure makes you feel comfortable without irritation, every layer of raw material can also be customized by you.

Fluorescent Agent Free

All raw material is fluorescent agent free, every batch of raw material arrived at our factory is inspected by us, our test room is specially for this.

Odor Free

We can make different measures to let adult diaper underwear keep odor free when you are using our product, this can also be customized.

Degradable

We have customers for degradable products, so we have degradable raw material in stock for you, if your product has degradable requirements, please contact us.

Applications:

They are applied for people who are experiencing different incontinence condition such as bladder or bowel leakage etc., if you have a long time travel, it can also be very suitable for you.

Regular size are listed in the following table, any other size can be customized by you at your any requirements.

Size:

The followings are only regular size, any other size can be customized by you (for other product such as adult diaper, underpad (nursing pad), woman menstrual briefs, please check other pages in our website), you can choose different size to fit you.
