Product Description

good sleep smooth Sanitary Pad

Our Advantages :

Our Product

Our company is a professional sanitary pad manufacturer in Weifang, Shangong,China, very near to Qingdao port.

FDA certificate,CE certificate and ISO9001 certificate and national level I Medical Equipment approved certificate are all achieved by our company .

Large factory area can provide enough space for warehouse, production and other activity.

Sufficient raw material stock with different kinds available for your option, different dimension and structure can meet your different requirements.

Nine international level production lines with high precision and quick speed can guarantee delivery time and good quality.

Different kinds of OEM products are available, they include adult diaper, adult diaper underwear (pull ups), sanitary napkin, underpad , puppy pad, disposable woman menstrual briefs etc..

Many years' rich OEM experience for many customers in the world , some customers are listed in " The world's Top 500 Enterprises";

Complete organization structure with detailed responsibility can guarantee your order is smoothly finished with good quality and within expected time.

Delicious food, comfortable living room, reward for reasonable suggestions and excellent performance , all kinds of sports activities and other positive activities make our workers work with good mood, good health and high efficiency, this can guarantee good quality and maximum production capacity.

Product Features:

Quick and high absorbency :

Surface will quickly get dry after a very short adsorbing time. It can absorb liquid with volume many times higher than itself. It can still keep dry after a certain absorbing time.

Comfortable

Cotton surface or other soft material surface and other breathable raw material structure makes you feel comfortable without irritation, making you have a good sleep at night, every layer of raw material can also be customized by you. besides, 3D side guard can be added on this prout for avoiding further leakage.

Fluorescent Agent Free

All raw material is fluorescent agent free, every batch of raw material arrived at our factory is inspected by us, our test room is specially for this.

Odor Free

We can make different measures to let adult diaper underwear keep odor free when you are using our product, this can also be customized.

Degradable

We have customers for degradable products, so we have degradable raw material in stock for you, if your product has degradable requirements, please contact us.

Applications:

For woman who are experiencing their menstrual period, protect your underwear or clothing free from dirty contamination , it includes different sizes and thickness such as short type, medium size type, long type, ultra thin type , fluff pulp type, absorbing paper type, daylight use type and overnight use type. some types are applied for less volume of menstual blood and some types are applied to heavy menstrual flow. you can choose them according to different menstrual condition.
