Our Product

Product Description

Disposable Pet Pads

Our Advantages :

Our company is a professional OEM disposable pet pads, disposable woman pads and all kinds of continence products manufacturer in Weifang, Shangong, China, very near to Qingdao port, very convenient journey from your country to our factory, besides, our goods can be very quickly transported to Qingdao port.

FDA certificate, CE certificate and ISO9001 certificate and national level I Medical Equipment approved certificate are all achieved by our company, you can find our Certificate on the website.

Large factory area can provide enough space for warehouse and production, this enough space can avoid mixing up or disorder of different raw material or finished product, keeping them in order.

Sufficient raw material stock with different kinds available for your option, different dimension and structure can meet your different requirements.

Nine international level production lines with high precision and quick speed can guarantee delivery time and good quality.

Different kinds of OEM products are available, they include adult diaper, adult diaper underwear (pull ups), sanitary napkin (including woman pad and menstrual pad), underpad (disposable nursing pad), disposable puppy pad, disposable woman menstrual briefs etc..

Many years' rich OEM experience for many customers in the world, some customers are listed in "The world's Top 500 Enterprises", why they choose us? because of our good quality, sufficient production capacity and good service.

Complete organization structure with detailed responsibility can guarantee your order is smoothly finished with good quality and within expected time.

Delicious food, comfortable living room, reward for reasonable suggestions and excellent performance, all kinds of sports activities and other positive activities make our workers work with good mood, good health and high efficiency, this can guarantee good quality and maximum production capacity.

Product Features:

Quick and high absorbency :

Surface will get dry after one and half minute adsorption time. It can absorb liquid with volume many times higher than itself. It can keep dry after absorbing urine.

Comfortable

Breathable structure makes you feel comfortable without irritation, every layer of raw material can also be customized by you.

raw material is composed of surface layer, middle adsorbent, and bottom film etc., all raw materials are high quality.

Fluorescent Agent Free

All raw material is fluorescent agent free, every batch of raw material arrived at our factory is inspected by us, our test room is specially for this.

Odor Free

We can make different measures to let adult diaper underwear keep odor free when you are using our product, this can also be customized.

Degradable

We have customers for degradable products, so we have degradable raw material in stock for you, if your product has degradable requirements, please contact us.

Applications:

They are applied for pet to keep clean, you can train your lovely pets to think this disposable pet pad is its bathroom for urine, keeping its living room clean and free from odor.
