Delicious food, comfortable living room, reward for reasonable suggestions and excellent performance , all kinds of sports activities and other positive and healthy activities make our workers work with good mood, good health and high efficiency, this can guarantee good quality and maximum production capacity.

Product Features:

Quick and high absorbency :

Surface will get dry after one and half minute adsorption time. It can absorb urine with volume many times higher than itself. It can keep dry after absorbing urine.

Comfortable

Breathable structure makes you feel comfortable without irritation, every layer of raw material can also be customized by you.

Fluorescent Agent Free

All raw material is fluorescent agent free, every batch of raw material arrived at our factory is inspected by us, our test room is specially for this.

Odor Free

We can make different measures to let adult diaper underwear keep odor free when you are using our product, this can also be customized.

Degradable

We have customers for degradable products, so we have degradable raw material in stock for you, if your product has degradable requirements, please contact us.

Applications:

For those people who are experiencing bladder leakage problem or other continence problem, it can be put on or take off like a common underwear, some countries called it adult pull ups, some countries called it adult diaper briefs or underwear.
