Product Description

Incontinence Briefs

Company Advantages :

Our Product

Our company is a leading professional Incontinence briefs manufacturer and other kinds of disposable individual care products

manufacturer in Weifang, Shangong,China, very near to Qingdao port, our goods can be quickly transported to Qingdao Port to shorten delivery time.

FDA certificate,CE certificate and ISO9001 certificate and national level I Medical Equipment approved certificate are all achieved by our factory. This is OEM guarantee for you.

Large factory area can provide enough space for warehouse and production.

Sufficient raw material stock with different kinds available for your option, different dimension and structure can meet your different requirements.

Nine sets of international level production lines with very high precision and quick speed can guarantee delivery time and good quality.

Different kinds of OEM products are available to meet your different requirements, they include adult diaper, incontinence briefs (pull ups), sanitary napkin, underpad , puppy pad, disposable woman menstrual briefs etc..

Many years' rich OEM experience for many customers all over the world , besides, some customers are listed in " The world's Top 500 Enterprises", we established a long term relationship with them.

Complete organization structure with detailed responsibility can guarantee your order is smoothly finished with good quality and within expected time.

Delicious food, comfortable living room, reward for reasonable suggestions and excellent performance , all kinds of sports activities and other positive activities make our workers work with good mood, good health and high efficiency, this can guarantee good quality and maximum production capacity.

Product Features:

Quick and high absorbency :

Surface of incontinence briefs will get dry after one and half minute adsorption time. It can absorb liquid with volume many times higher than itself. It can keep dry after absorbing urine.

Comfortable

Very soft surface and breathable structure makes you feel comfortable without irritation, every layer of raw material can also be customized by you, we can also make suggestion for you.

Fluorescent Agent Free

All raw material is fluorescent agent free, every batch of raw material arrived at our factory should be inspected by us, our test room is specially for this.

Odor Free

We can make different measures to let adult diaper underwear keep odor free when you are using our product, this can also be customized.

Degradable

We have customers for degradable products, so we have degradable raw material in stock for you, if your product has degradable requirements, please contact us.

Applications:

For those people who are experiencing bladder leakage and bowel problem or other continence problem, it can be put on or take off like a common briefs, some countries called it adult pull ups, some countries called it adult diaper briefs.
