Product Description

Adult Pull Up Diaper Manufacturer

Our Company Advantages :

Our Product

Our company is a professional adult pull up diaper manufacturer and other individual care products in Weifang (an international famous kite city), Shangong,China, very near to Qingdao port.

All necessary certificate such as FDA certificate,CE certificate and ISO9001 certificate and national level I Medical Equipment approved certificate are all achieved by our company .

Large factory area can provide enough space for warehouse and production.

Enough raw material stock in our warehouse with different kinds available for your different options, different dimension and structure can meet your different requirements.

Nine international level production lines with high precision and quick speed can guarantee delivery time and good quality.

Different kinds and different size of OEM products are available, they include adult diaper, adult pull up diaper (pull ups), sanitary napkin, underpad , puppy pad, disposable woman menstrual briefs etc..

Many years' rich OEM experience for many customers in the world , some customers are listed in " The world's Top 500 Enterprises", our competitive price, good quality, quick delivery time and good service gained reputation for us .

Complete organization structure with detailed responsibility can guarantee your order is smoothly finished with good quality and within expected time.

Delicious food, comfortable living room, reward for reasonable suggestions and excellent performance , all kinds of sports activities and other positive and healthy activities make our workers work with good mood, good health and high efficiency, this can guarantee good quality and maximum production capacity.

Product Characteristics:

High and instant absorbing capacity :

Surface will get dry after a very short time, besides, after it adsorbs discharged urine, its volume will get larger many times than itself and it can still keep dry after absorbing urine. absorbent inside the middle layer will make urine liquor change into gel.

Comfortable

Breathable fabrics can make air go through every layer and moisture can be discharged out through every layer, making you feel comfortable without irritation, every layer of raw material can also be customized by you.

Fluorescent Agent Free

All raw material is fluorescent agent free, every batch of raw material arrived at our factory is inspected by us, our test room is specially for this.

Odor Free

We can make different measures to let adult diaper underwear keep odor free when you are using our product, this can also be customized.

Degradable

We have customers for degradable products, so we have degradable raw material in stock for you, if your product has degradable requirements, please contact us.

Applications:

If any woman or man are experiencing slight incontinence such as bladder leakage problem or other continence problem and he or she can move around, this adult pull up diaper is very suitable, it can be put on or take off like a common underwear, some countries called it adult pull ups, some countries called it adult diaper briefs or underwear.

However, for those who are experiencing serious incontinence and can not move around, a kind of adult diaper with adhesive pp tape and front tape or magic hook&loop is suitable.
