Our Product

### Product Description

Good Quality OEM Adult Pull Up Diaper Provider From China

### Our Advantages :

Our company is a largest factory for manufacturing OEM adult pull up diaper, in Weifang( an international famous kite city), Shangong,China, very near to Qingdao port, you can fly to Qingdao from your country, then you can directly from Qingdao to Weifang within a short time.

FDA certificate,CE certificate and ISO9001 certificate and national level I Medical Equipment approved certificate are all achieved by our company .

Large factory area can provide enough space for warehouse and production.

Sufficient raw material stock in our warehouse with different kinds available for your different options, different dimension and structure can meet your different requirements.

Nine international level production lines with high precision and quick speed can guarantee delivery time and good quality.

Different kinds and different size of OEM products are available, they include adult diaper, adult pull up diaper (pull ups), sanitary napkin, underpad , puppy pad, disposable woman menstrual briefs etc..

Many years' rich OEM experience for many customers in the world , some customers are listed in " The world's Top 500 Enterprises", our competitive price, good quality, quick delivery time and good service gained reputation for us

Complete organization structure with detailed liability and rights makes every one carry out work with a high efficiency , this can guarantee your order is smoothly finished with good quality and within expected time.

Delicious food, comfortable living room, reward for reasonable suggestions and excellent performance , all kinds of sports activities and other positive and healthy activities make our workers work with good mood, good health and high efficiency, this can guarantee good quality and maximum production capacity, because workers and staffs are the important factor for production.

## Product Features:

Quick and high absorbency :

Surface will get dry after one and half minute adsorption time. It can absorb urine with volume many times higher than itself. It can keep dry after absorbing urine. Middle absorption layers with optimum performance make

Comfortable

Breathable structure makes you feel comfortable without irritation, every layer of raw material can also be customized by you.

Fluorescent Agent Free

All raw material is fluorescent agent free, every batch of raw material arrived at our factory is inspected by us, our test room is specially for this.

Odor Free

We can make different measures to let adult diaper underwear keep odor free when you are using our product, this can also be customized.

Degradable

We have customers for degradable products, so we have degradable raw material in stock for you, if your product has degradable requirements, please contact us.

## Applications:

Disposable Pull Up Diaper provide a comprehensive solution combining comfort, adsorption effectiveness and high convenience. Its optimum protective layers, high absorbent core and reasonable design provides users with a positive experience. For those people who are experiencing slight bladder leakage problem or other continence problem, it is the best choice for them. It can be put on or take off like a common underwear, some countries called it adult pull ups, some countries called it adult diaper briefs or underwear. People who are wearing it can freely move around without worrying anything, therefore improving their life quality.

## Size:

Disposable Pull Up Diaper can fit a large range of body weight by offering various sizes, including S,L, M,and XL. People who need it can find a size that fits them , optimizing both comfort and effectiveness.
