Product Description

Stretchable Unisex Disposable Underwear Pull Ups Heavy Absorbency 60000 Pcs

Our

Product Description:

Our Adult Pull Ups feature a Leak Guard, which helps prevent any leaks or accidents from occurring. The Leak Guard is one of the most important features of our product, as it ensures that users feel secure and protected at all times. Additionally, our Adult Pull Ups also come with Odor Control, which helps to eliminate any unpleasant smells that may arise from incontinence. This feature is especially important for individuals who are self-conscious about their condition and want to avoid any embarrassment.

Another great feature of our Adult Pull Ups is the Wetness Indicator, which lets users know when it's time to change their underwear. This is an incredibly useful feature, as it helps prevent any discomfort or irritation that may arise from sitting in wet underwear for too long. Our Adult Pull Ups are made in the United States, China, and Japan. We source our materials from the best suppliers around the world to ensure that our product is of the highest quality. Our product is available in three different levels of absorbency - Heavy, Moderate, and Light. This allows users to choose the level of protection that suits their needs best, based on their level of incontinence.

Our Adult Pull Ups are also available for both daytime and nighttime use. Our Daytime Pull Ups are designed to provide maximum comfort and protection during the daytime, while our Nighttime Pull Ups are designed to provide extra absorbency and protection for long periods of time, such as overnight.

Our product is a Disposable Underwear, which means that it is a convenient and hygienic solution for individuals dealing with incontinence. Our product is easy to use, and can be disposed of after use. We recommend our product for individuals who are looking for a hassle-free and easy-to-use solution for their incontinence needs.

In conclusion, our Reusable Adult Pull-On Underwear is the perfect solution for anyone dealing with adult incontinence. Our Adult Incontinence Protective Underwear provides maximum protection and comfort, while our Maximum Protection Pull-Up Undergarments ensure that users feel secure and protected at all times. So why wait? Try our Adult Pull Ups today and discover the ultimate solution for your incontinence needs!

Applications:

YZM is a renowned brand that produces high-quality disposable underwear for adults. The adult pull-ups come in different sizes ranging from S to XXL and are made in China. These pull-ups have been certified by CE, FDA, ISO9001, and ISO13485, ensuring that they meet international standards. The minimum order quantity for these pull-ups is 60000 pcs, and they are sold at a price range of \$0.2-0.3 per piece. The packaging details include PE bag and carton, and delivery time is estimated to be between 10-30 days. Payment is made through TT, and the supply ability is 1000000 pcs per month.

The YZM adult pull-ups are ideal for both daytime and nighttime use, making them versatile and convenient. They are designed to provide maximum comfort, leak guard, odor control, and a wetness indicator. These features ensure that users stay dry and comfortable throughout the day, without worrying about any leaks or odors. The leak guard feature provides extra protection against leaks, while the odor control feature keeps unpleasant odors at bay. The wetness indicator helps users know when to change their pull-ups, ensuring they stay dry and comfortable.

The YZM adult pull-ups are unisex, making them suitable for both men and women. They are made of high-quality materials such as cotton, polyester, and spandex, which are gentle on the skin. The disposable underwear is perfect for those with incontinence issues, as they are easy to wear and dispose of. They are also ideal for traveling, as they take up less space and are easy to pack. The reusable adult pull-on underwear is ideal for those who prefer a more eco-friendly option, as they can be washed and reused.

The YZM adult pull-ups are suitable for different occasions and scenarios. They are ideal for use at home, in hospitals, nursing homes, or when travelling. They are also suitable for use during outdoor activities such as hiking, camping, and sports. The leakproof disposable underpants are perfect for those who want to enjoy their outdoor activities without worrying about leaks or odors. The reusable adult pull-on underwear is ideal for those who want to save money and reduce their environmental impact.
