Product Description

Disposable Underwear 60000 Pcs Nighttime Pull Ups Leak Guard

Product Description:

Our Pr

With its heavy, moderate, and light absorbency levels, the Adult Pull Ups are perfect for those with different levels of incontinence. This product is available in white and beige, making it easy to match with any outfit. Available in small, medium, large, and X-large, this product can fit all body types.

The Adult Pull Ups also come with several features that make them stand out from other products on the market. The leak guard feature ensures that there are no leaks or accidents while wearing the product. The odor control feature helps to eliminate any unpleasant smells, keeping the wearer feeling fresh and clean. The wetness indicator makes it easy to know when it's time to change the product, ensuring that the wearer is always comfortable and protected.

The Adult Incontinence Protective Underwear is a premium underwear for incontinence that is made from high-quality materials. This product is reusable, making it an environmentally friendly and cost-effective option for those who need to manage their incontinence. The product is also easy to wash and dry, ensuring that the wearer always has a clean and fresh product to wear.

Overall, the Adult Pull Ups are an excellent choice for those who need to manage their incontinence. With its comfortable fit, reliable protection, and discreet design, this product is perfect for anyone who wants to live life to the fullest without having to worry about incontinence. So, if you are looking for a reliable and high-quality product that can help you manage your incontinence, look no further than the Adult Pull Ups.

Applications:

These adult diapers are suitable for a wide range of applications and scenarios. They are perfect for adults who suffer from incontinence and want to lead an active lifestyle without worrying about leaks or odors. They are also ideal for people who need extra protection during long trips or extended periods of sitting or standing. These adult diapers provide excellent protection against leaks and odors, thanks to their advanced leak guard and odor control features.

The YZM Adult Pull Ups are available in various sizes, from small to extra-large, making them suitable for both men and women. They are also available in different absorbencies, including heavy, moderate, and light, to suit the needs of different users. The wetness indicator feature lets users know when it is time to change the diaper, ensuring maximum hygiene and comfort.

The YZM Adult Pull Ups are manufactured in China, under strict quality control standards. They are certified by CE, FDA, ISO9001, and ISO13485, ensuring that they meet the highest standards of quality and safety. The minimum order quantity for these adult diapers is 60000 pcs, and they are priced at \$0.2-0.3 per piece. They come in PE bags and cartons, and the delivery time is between 10-30 days. Payment terms are TT, and the supply ability is 1000000 pcs per month.

In summary, the YZM Adult Pull Ups are high-quality adult diapers that offer excellent protection, comfort, and hygiene to people who suffer from incontinence or need extra protection during long trips or extended periods of sitting or standing. They are available in different sizes, absorbencies, and colors, making them suitable for both men and women. They are also certified by CE, FDA, ISO9001, and ISO13485, ensuring that they meet the highest standards of quality and safety.
