Product Description

Premium Heavy Absorbency Adult Diapers with Elastic Waistband - Pack of 20

Product Description:

Our Pr

Our adult diaper is designed to provide heavy absorbency, ensuring that you stay dry and comfortable for longer periods. The diaper is designed with odor control features that eliminate any unpleasant odors, keeping you feeling fresh and confident throughout the day. The gathered leg cuffs provide a secure and comfortable fit, preventing any leaks or accidents. The cuffs are designed to fit snugly around your legs, providing maximum protection and preventing any discomfort or irritation.

Our adult diaper is manufactured using state-of-the-art technology and equipment, including our advanced machining center. This ensures that each diaper is precision-cut and crafted to the highest quality standards, resulting in a product that is durable, reliable, and effective.

Whether you are dealing with incontinence or are a caregiver for someone who is, our adult diaper offers the perfect solution for managing incontinence and ensuring that you stay comfortable and dry throughout the day. With our heavy absorbency and odor control features, you can rest assured that you will stay protected and confident.

Order our adult diaper today and experience the comfort and reliability that our product has to offer. Our product is available in various sizes, ensuring that you find the perfect fit for your needs. With our advanced machining center and quality materials, you can trust that you are getting a product that is made to the highest quality standards.

Applications:

Our customizable brand Adult Diaper Manufacturer offers the perfect solution for those who need heavy absorbency and odor control. Our diapers are latex-free and come in sizes S, M, L, XL, XXL, and XXXL. They are made in China, and we have received CE, FDA, ISO9001, ISO13485, and FSC certifications, ensuring that our product meets high-quality standards.

Our Adult Diaper Manufacturer product is perfect for a wide range of application occasions and scenarios. For those who suffer from incontinence, our diapers provide the perfect solution for those who need heavy absorbency. They are also great for those who work in jobs where they cannot take frequent bathroom breaks, such as truck drivers, construction workers, and medical professionals.

Our Adult Diaper Manufacturer product is also perfect for those who suffer from mobility issues or are bedridden. The diapers are easy to put on and take off, thanks to their wetness indicator, and they provide maximum comfort and protection for those who need it.

Our Adult Diaper Manufacturer product is also great for travel. Whether you are going on a long car ride or a plane trip, our diapers offer the perfect solution for those who need heavy absorbency and odor control. They are also easy to pack and come in packaging details of 10pcs, 20pcs, 30pcs, and 40pcs.

Our Adult Diaper Manufacturer product is made possible thanks to our state-of-the-art Aluminum Machining Center. This center allows us to produce high-quality diapers quickly and efficiently, ensuring that we can meet the demand for our product. We have a minimum order quantity of 60000 pcs and a supply ability of 15000000 pcs per month. We offer a price range of 0.12-0.25 per diaper, and our delivery time is 15 days. We also accept TT as our payment terms.
