Product Description: Hygienic Leak-proof Pet Training Pad, Quick Dry Animal Pee Training Sheet, Ultra Absorbent Dog Pee Pad

Applications:

A customizable brand offers multi-layered puppy training sheets in different sizes, including 33*45, 45*60, 60*60, 60*90, 60*120, and 80*160. These disposable puppy pads are made in China and have received certifications such as CE, FDA, ISO9001, ISO13485, and FSC. The minimum order quantity for these scented disposable pet potty pads is 60,000 pieces, and the price ranges from \$0.05 to \$0.15 per pad. The packaging details include options for 10pcs, 20pcs, 30pcs, 40pcs, and 100pcs.

These hygienic leak-proof pet training pads are made with SAP superabsorbent molecule technology, which can quickly absorb liquid and prevent leakage. The pads are sustainable and stocked, making them a great choice for pet owners who prioritize environmentally-friendly products. The outdoor bag style of these dog training devices makes it easy to use and dispose of, which is especially convenient for pet owners who are always on the go.

The multi-layered puppy training sheet is suitable for puppies and small dogs who are still learning how to use the potty. These scented disposable pet potty pads can be used in different occasions and scenarios, including indoor and outdoor spaces. They are perfect for use in apartments, during road trips, and even in pet crates. The pads can also be used by pet owners who are training their dogs to manage incontinence.

With a supply ability of 50,000,000 pieces per month, these hygienic leak-proof pet training pads are readily available for purchase. The delivery time for these dog training devices is approximately 10 days, and the payment terms are TT. If you are looking for a reliable and effective way to train your puppy or manage your small dog's potty needs, these scented disposable pet potty pads are a great choice.

Customization:
