Product Description

Hypoallergenic Adult Diapers with Odor Control Latex Free Closure Tabs Cotton/Polyester Blend

Product Description:

Our Pr

Featuring an adhesive tab closure system, these adult diapers are easy to put on and take off, providing a secure and comfortable fit for the wearer. With 20 diapers per pack, you can be sure that you'll always have a fresh supply on hand. Whether you're taking care of a loved one or are in need of incontinence protection yourself, these adult diapers are a reliable and convenient choice.

The gathered leg cuffs are designed to prevent leaks and provide additional protection, ensuring that you can go about your day with confidence. These adult diapers are made with a cotton/polyester blend material that is both soft and breathable, providing maximum comfort and preventing irritation. Plus, they are latex-free, making them safe for those with latex allergies.

At the Adult Diaper Manufacturer, we are committed to providing our customers with the highest quality products that meet their needs and exceed their expectations. Our adult diapers are no exception. With our advanced manufacturing techniques and attention to detail, we have created a product that is reliable, comfortable, and effective.

If you're looking for a reliable and effective solution for incontinence issues, look no further than the adult diapers from the Adult Diaper Manufacturer. With their adhesive tab closure system, gathered leg cuffs, cotton/polyester blend material, and latex-free design, these adult diapers are the perfect choice for anyone in need of incontinence protection. Order yours today and experience the difference for yourself!

Applications:

The Adult Diaper Manufacturer is a company that specializes in producing high-quality adult diapers. The brand name can be customized according to the client's preference. The product model number ranges from S to XXXL, which means it can cater to different body sizes. The materials used for the diaper are made of a blend of cotton and polyester, which makes it soft and comfortable to wear.

The Adult Diaper Manufacturer is based in China and has certification from CE, FDA, ISO9001, ISO13485, and FSC. The minimum order quantity is 60000 pcs, and the price ranges from 0.12-0.25 per piece. The packaging details include packs of 10, 20, 30, and 40 pieces, with 20 diapers per pack. The delivery time is 15 days, and payment terms are TT. The company has a supply ability of 15000000 pcs per month.

The Adult Diaper Manufacturer product is suitable for different occasions and scenarios. It can be used by adults who have urinary incontinence or mobility issues. The diaper has odor control and hypoallergenic features, which makes it an ideal choice for people with sensitive skin. It can be used while traveling, during long shifts at work, or at home. The diapers can also be used in healthcare facilities or nursing homes.

The machining center used in the production process ensures that the products are manufactured to the highest standards. The aluminum machining center helps to produce high-quality products that meet the client's requirements. The team of experts at the Adult Diaper Manufacturer ensures that the products are tested thoroughly before they are released into the market.

Customization:

The minimum order quantity for our adult diapers is 60000 pcs, with a price range of 0.12-0.25 per unit. We offer packaging options of 10pcs, 20pcs, 30pcs, and 40pcs, and our delivery time is 15days. Payment terms are TT, and we have a supply ability of 15000000 pcs per month.

Our adult diapers are designed with your comfort and convenience in mind, featuring odor control and hypoallergenic properties. They offer heavy absorbency and are suitable for both men and women. Additionally, our diapers come with a wetness indicator, making it easy to tell when it's time to change.

At Aluminum Machining Center, we understand that each client has unique requirements, and we are committed to meeting them.
