Product Description

Absorbent Dog Training Mat 100 Count Outdoor Bag 5 Layer Non Slip Pads for Puppies And Small Dogs

Product Description:

Our Product Introduction

The Disposable Puppy Pads come in a variety of sizes and quantities, including 10/40/50/100pcs/bag, or as required by the customer. This means that you can choose the quantity that best suits your needs, whether you have a small puppy or a large breed dog. The 100 count pack is ideal for pet owners who want to stock up and ensure that they always have a supply of Ultra Absorbent Dog Pee Pads on hand.

The Disposable Puppy Pads are designed with your pet's comfort in mind. They are non-slip, which means that they won't move around on smooth surfaces, providing your pet with a stable and secure surface to do their business. The pads are also ultra absorbent, which means that they can hold a significant amount of liquid, keeping your pet dry and comfortable.

The Disposable Puppy Pads are also designed with odor control in mind. The pads are made with a special formula that helps to neutralize pet odors, making them a great choice for pet owners who want to keep their homes smelling fresh and clean. The Disposable Odor Control Pet Training Pads are perfect for those who want to keep their pets in a clean and hygienic environment.

The Disposable Puppy Pads are perfect for use in bathrooms, whether you are training your puppy or looking for a solution for your indoor pet. They are also ideal for use outdoors, providing a clean and comfortable surface for your pet to do their business. These pads are a great solution for those who want to keep their pets comfortable and dry, while also maintaining a clean and odor-free home.

In conclusion, if you are looking for a sustainable and stocked solution for your pet's pee training needs, then the Disposable Puppy Pads are the perfect choice. These quick dry animal pee training sheets are ultra absorbent, non-slip, and come in a variety of sizes and quantities to suit your needs. They are also designed with odor control in mind, making them a great choice for pet owners who want to maintain a clean and hygienic environment for their pets.

Applications:

The Disposable Puppy Pads, also known as Leak-proof Puppy Wee Pad, Absorbent Dog Training Mat or Moisture Lock Potty Training Liner, are an essential product for pet owners. These pads are available in different sizes and shapes, with the model number ranging from 33*45 to 80*160, and are customizable. They are manufactured in China and are certified with CE, FDA, ISO9001, ISO13485 and FSC. The minimum order quantity is 60000 pcs and the price ranges from 0.05-0.15, depending on the quantity ordered.

The Disposable Puppy Pads are ideal for use in different room spaces, including bathrooms, indoors and outdoors. They are suitable for use with dogs, cats and other pets. The pads are designed with a special feature to sustain their quality and are always stocked, making them readily available.

The Disposable Puppy Pads are widely used for different application occasions and scenarios. They are perfect for potty training, incontinence, and for pets that are recovering from surgery. They are also great for use during long journeys and for those pets that suffer from motion sickness. The pads can be used for different purposes, including as a liner for pet carriers, crates, and kennels. They can also be used as a makeshift litter box for cats.

The Disposable Puppy Pads are available in different colors, and the packaging details may vary depending on your requirements. The pads are packed in bags, with options ranging from 10pcs to 100pcs per bag. The delivery time is typically 10 days and payment terms are via TT. The supply ability is 50000000 pcs per month, ensuring there is always enough stock to meet demand.
