Product Description

100 Count Puppy Training Pads for Indoor and Outdoor Bathroom Spaces

Product Description:

Our Product Introduction

Quick Dry Animal Pee Training Sheet - Leak-proof Puppy Wee Pad - Disposable Odour Control Pet Training Pad

The Disposable Puppy Pads are the perfect solution for pet owners who are looking for an efficient and convenient way to train their puppies and small dogs. These pads are designed to offer superior absorbency, leak-proof protection, and odour control, making them ideal for use in indoor and outdoor settings.

These training pads are perfect for pets that are not fully trained yet, or for older pets that may have trouble holding their bladder. With a 5-layer design, these puppy pads can absorb up to 5 cups of liquid, ensuring that your floors remain clean and dry. The top layer is made of a quick-dry material that locks in moisture, preventing any leaks or spills.

The Disposable Puppy Pads are also equipped with an odour control layer that neutralizes any unwanted smells, keeping your home smelling fresh and clean. This layer is specially designed to eliminate any unpleasant odours that may arise from your pet's waste.

These training pads are incredibly easy to use. Simply place the pad in the desired location and let your pet do the rest. The pads are leak-proof, so you don't have to worry about any spills or messes. Once the pad is soiled, simply dispose of it and replace it with a fresh one.

The Disposable Puppy Pads come in an outdoor bag style, making them perfect for use in outdoor settings. The bag is convenient for carrying the pads with you on walks or trips to the park, ensuring that your pet always has access to a clean and safe place to relieve themselves.

Overall, the Disposable Puppy Pads are an excellent choice for pet owners who are looking for a reliable and convenient way to train their pets. These pads offer superior absorbency, leak-proof protection, and odour control, making them the perfect dog training device for puppies and small dogs.

Layer	5 Layers

Product keywords: Hygienic Leak-proof Pet Training Pad, Biodegradable Pet Training Sheet, Multi-layered Puppy Training Sheet

Applications:

The Absorbent Dog Training Mat is designed to be used for different occasions and scenarios. Firstly, it is perfect for outdoor activities, such as camping, hiking, picnics, and other recreational activities. The pads are leak-proof, making it easy to clear up any messes your pet may make. The SAP Superabsorbent Molecule used in our product ensures that the pad remains dry and prevents any bad odors from escaping.

Secondly, our Hygienic Leak-proof Pet Training Pad is ideal for pet owners who want to train their dogs to do their business in a specific location. The pads have five layers, which ensures that the pad remains intact and doesn't tear, even when exposed to heavy use. The Absorbent Dog Training Mat also helps to keep your home clean and odor-free. The pads are also suitable for use with puppies that are still in their training phase.

Thirdly, our Disposable Odour Control Pet Training Pads are perfect for pet owners who are always on the go. The pads are lightweight and easy to carry around, making them suitable for use when traveling with your pet. The pads also come in different packaging sizes, such as 10pcs, 20pcs, 30pcs, 40pcs, and 100pcs, making it easy to choose the right pack size for your needs.

Our product is competitively priced, with a price range of 0.05-0.15, making it affordable for pet owners. Our Minimum Order Quantity is 60000 pcs, with a supply ability of 50000000 pcs per month. The product comes in an Outdoor Bag style, and the packaging details vary, with options such as 10/40/50/100pcs/bag or as per your specifications. Our delivery time is 10days, and we accept TT as the payment method. Lastly, our Training Products Type is Agility Training Products.
