Product Description

100 Count Superabsorbent Leak Proof Puppy Wee Pad Ultra Absorbent Dog Pee Pad for Dog Training

Product Description:

Our Product

Our Disposable Puppy Pads are made with SAP Superabsorbent Molecule technology, which allows for maximum absorption and minimal leakage. These pads can hold up to 3 cups of liquid and are designed to quickly lock in any unpleasant odors. Plus, their non-slip design ensures that your pets won't have any accidents while using them.

Each pack comes with 100 count of Scented Disposable Pet Potty Pads. These pads are perfect for people who are environmentally conscious, as they are biodegradable and can be disposed of easily. They are also scented, which helps to attract pets to use them. These Biodegradable Pet Training Sheets are perfect for those who are looking for Agility Training Products. They can be used to train dogs to navigate through obstacle courses, as they provide a soft and non-slip surface.

In summary, our Disposable Puppy Pads are the perfect solution for pet owners who are looking for a reliable and eco-friendly way to potty train their furry friends. With their SAP Superabsorbent Molecule technology and non-slip design, these pads are the ideal choice for pet owners who want to ensure their pets' comfort and safety. Plus, their biodegradable nature makes them an excellent choice for those who are environmentally conscious.
