Product Description

Pet Training Puppy Pads Customized Color Superior Absorbency Layers for Puppies and Small Dogs

Product Description:

Our Product Introduction

The Disposable Puppy Pads are designed with a non-slip feature, which ensures that the pads stay in place even when your pet is moving around. This feature provides added safety for your pet, especially when they are still in their training phase. These pads are perfect for use in bathrooms and other room spaces. They are ultra-absorbent, which means that they can hold a significant amount of liquid without leaking. This makes them an excellent choice for pet owners who are looking for a sustainable and stocked option for their pets.

The Disposable Puppy Pads are made from high-quality materials that are designed to last. They are durable, which means that they can be used multiple times before being disposed of. This feature makes them an excellent choice for pet owners who are looking for a cost-effective option for their pets.

Overall, the Disposable Puppy Pads are an excellent choice for pet owners who are looking for a hygienic, leak-proof pet training pad for their puppies and small dogs. They are ultra-absorbent, non-slip, and suitable for various room spaces, making them a versatile option for pet owners. Additionally, they are sustainable and stocked, making them a cost-effective option for pet owners who want the best for their pets.

Style	Outdoor Bag
Packing	10/40/50/100pcs/bag Or As Your Required
Character	SAP Superabsorbent Molecule
Layers	5 Layers
Suitable For	Puppies And Small Dogs

Applications:

Our Quick Dry Animal Pee Training Sheet is designed to quickly absorb liquids, leaving the surface dry and comfortable for your pet. The Ultra Absorbent Dog Pee Pad can hold up to 5 cups of liquid, so you don't have to worry about leaks or spills. The 5 Layers construction of our pads ensures maximum absorbency, while the Leak-proof Puppy Wee Pad prevents any liquids from seeping through to the floor below.

Our Disposable Puppy Pads are perfect for a variety of occasions and scenarios. If you are house training your puppy, our pads provide a convenient place for them to go potty. They are also great for senior dogs or dogs with mobility issues who may not be able to make it outside in time. Additionally, our pads are perfect for use during long car rides or flights, or for times when your pet may be home alone for an extended period of time.

Our pads come in a variety of packaging options, including 10pcs, 20pcs, 30pcs, 40pcs, and 100pcs per bag, making it easy to stock up and have them on hand whenever you need them. Our pads are shipped out within 10 days of your order being placed, and we accept payment via TT. With a supply ability of 50000000 pcs per month and a minimum order quantity of 60000 pcs, you can be sure that you will always have enough pads on hand when you need them.

Our Disposable Puppy Pads are a must-have for any pet owner. With their high absorbency and leak-proof design, they are perfect for keeping your home clean and odor-free. Whether you are house training a new puppy or caring for an older dog, our pads are an essential tool in any pet owner's arsenal. So why wait? Order your Disposable Puppy Pads today and start enjoying a cleaner, more hygienic home!

Customization:

Packing and Shipping:

Product Packaging:
Our Disposable Puppy Pads are packaged in a compact box that contains 100 pads. The box is made of sturdy cardboard and has a handle for easy carrying. Each pad is individually folded and wrapped in a plastic sleeve to ensure maximum hygiene and convenience.

Shipping:
We offer fast and reliable shipping to all locations within the United States. Orders are typically processed within 24 hours and shipped via standard ground shipping. Expedited shipping options are also available for an additional fee. All packages are carefully packed and shipped to ensure that your order arrives in perfect condition.
