Product Description

Customizable Puppy Training Pads 5 Layer Absorbent Outdoor Pet Potty Pads

Product Description:

Our Product Introduction

Our Dog Pee Pads come in an Outdoor Bag style, which makes them perfect for use both indoors and outdoors. These pads are made up of 5 layers, which means they can absorb a lot of liquid without leaking or spilling. They are perfect for use in the bathroom, indoor spaces, and outdoor spaces.

Our Disposable Odour Control Pet Training Pads are suitable for use with dogs, cats, and other small pets. They are perfect for pet owners who want to keep their homes clean and odor-free. These pads are made with a special odor control technology that helps to keep your home smelling fresh and clean. They are perfect for use during potty training, for older dogs who suffer from incontinence, or for those who simply want to keep their homes clean and odor-free.

Our Ultra Absorbent Dog Pee Pads are easy to use. Simply place the pad on the floor where you want your pet to go, and let them do their business. The pad will absorb the liquid and keep it contained, so you don't have to worry about leaks or spills. When the pad is full, simply dispose of it in the trash and replace it with a new one.

Overall, our Disposable Odour Control Pet Training Pads are a great investment for any pet owner. They are ultra-absorbent, leak-proof, and odor-resistant, making them perfect for use with puppies and small dogs. They come in an Outdoor Bag style, which makes them perfect for use both indoors and outdoors. So, whether you're potty training your new puppy or trying to keep your home clean and odor-free, our Dog Pee Pads are the perfect solution.
