Product Description

Unscented Long Contoured Cotton Sanitary Napkin Pads Strong Adhesive Multi layer Protection

Product Description:

Our Product Introduction

Our sanitary napkins are contoured to fit the natural shape of a woman's body, providing maximum comfort and protection. The contoured shape also helps to prevent leaks and ensures that the pad stays in place throughout the day. With six different sizes to choose from (150mm, 190mm, 240mm, 285mm, 350mm, and 410mm), our pads can meet the needs of women at all stages of life. We understand that heavy flow days can be difficult to manage, which is why our sanitary napkins are designed with heavy absorbency in mind. Our products can handle even the heaviest of flows, keeping women feeling dry and comfortable all day long. In addition to their superior performance, our sanitary napkins are also designed with women's comfort in mind. We use a soft and breathable top sheet that feels gentle against the skin, reducing the risk of irritation or discomfort. Our adhesive is also strong, ensuring that the pad stays securely in place without shifting or bunching up. At the Feminine Hygiene Product Factory, we are committed to providing women with the best possible sanitary napkins. We believe that every woman deserves access to high-quality feminine care products that she can rely on, which is why we take pride in our work and in the products we create.
