### Product Description

Blue Incontinence bed underlays for Room Space Selection Support

### Product Description:

Our Pr

The underpad bed sheet protectors come in a beautiful blue color that is sure to complement any room. They can be used in any room space selection, making them versatile and convenient for everyday use. Whether you need them for your home, office, or medical facility, these underpads will meet your needs.

The top sheet material of these underpads is made of non-woven fabric, which is soft and comfortable. The material is also highly absorbent, ensuring that any liquid is quickly absorbed and locked away, leaving the surface dry and clean. This feature makes them ideal for people who have incontinence problems. The underpads are also suitable for post-surgery or postpartum use.

If you are still unsure about the quality of these underpad bed sheet protectors, you can request a free sample. This way, you can try them out before placing your order, ensuring that you are getting a product that meets your expectations.

In summary, the Disposable Incontinence Underpads are an essential item to have in your home or medical facility. They are versatile, easy to use, and highly absorbent, making them perfect for people with incontinence problems. The blue color and non-woven fabric top sheet make them comfortable and visually appealing. Request a free sample today and experience the quality of these underpad bed sheet protectors for yourself!

## Applications:

Our customizable brand offers a wide range of waterproof disposable mattress pads. Our model numbers include 33\*45, 45\*60, 60\*60, 60\*90, 60\*120, 80\*160, and 80\*190. Our disposable underpads are made in China and come with CE, FDA, ISO9001, ISO13485, and FSC certifications.

Our minimum order quantity is 100000pcs and the price ranges from 0.04-0.1usd per pad. The packaging details include 10pcs, 15pcs, 20pcs, 30pcs, and 50pcs. The delivery time is 10-15 days and we accept payment via TT. Our supply ability is 80000000pcs per month, making us a reliable supplier.

Our waterproof disposable mattress pads are perfect for a variety of occasions and scenarios. They are ideal for use in hospitals, nursing homes, and other medical facilities. Our absorbent medical bed pads are designed to protect bedding and furniture from leaks and spills. They can be used for patients with incontinence, bedridden patients, or anyone who needs extra protection while sleeping.

Our disposable hospital underlays are also useful for home care. They can be used for babies, pets, or anyone who needs extra protection while sitting or lying down. Our pads are easy to use and dispose of, making them a convenient option for everyday use.

The blue color of our pads makes them easy to identify and distinguish from other bedding. They can be used in any room space selection and are suitable for everyday use. Our pads are also waterproof, ensuring that any liquid is absorbed and contained, keeping the user and their surroundings clean and dry.

Overall, our waterproof disposable mattress pads are a versatile and practical solution for anyone in need of extra protection while sitting or lying down. They are affordable, easy to use, and available in a range of sizes and packaging options to suit your needs.
