Product Description

Non-woven Fabric Waterproof Disposable Mattress Pads for Supportive Room Space Selection

Product Description:

Our Product

Our underpads feature a non-woven fabric top sheet material that is gentle on the skin, ensuring comfort and preventing irritation. The blue color of the underpad adds a touch of style to your bedding, making it a great addition to any bedroom. With four adhesive strips, our underpads stay in place throughout the night, preventing any shifting or sliding. These underpads are also great for agility training products, making them a versatile addition to your pet training supplies. In summary, our Disposable Underpad Bed Sheet Protectors are a reliable and convenient solution for protecting your bed sheets from any unwanted spills or leaks.

Applications:

Manufactured in China with CE, FDA, ISO9001, ISO13485, and FSC certification, these waterproof disposable mattress pads are made from high-quality materials and are designed to be both durable and long-lasting. With a minimum order quantity of 100000pcs and a price range of 0.04-0.1usd, these pads are an affordable and practical solution for anyone looking to protect their mattress from spills, stains, and other forms of damage.

These waterproof disposable mattress pads are also extremely absorbent, thanks to their 3-layer construction and fluff pulp material, which is made in the US. This makes them ideal for use in healthcare settings, as well as in homes where elderly or disabled individuals may require extra protection and support.

Whether you are looking for absorbent disposable bed pads for your home or healthcare facility, or waterproof disposable mattress pads to protect your mattress from spills and stains, these pads are an excellent choice. With a range of packaging options available, including 10pcs, 15pcs, 20pcs, 30pcs, and 50pcs, as well as a delivery time of 10-15 days and payment terms of TT, these pads are easy to order and receive.

In addition to their practical uses, these waterproof disposable mattress pads also offer excellent value for money, with a supply ability of 80000000pcs per month and a lead time of 3 to 10 days. So if you are looking for a reliable and cost-effective solution for protecting your mattress or bed, these pads are the perfect choice.

Customization:

Packing and Shipping:

Product Packaging:

The disposable underpads are packed in a box with 50 pieces per box. The box is made of sturdy cardboard material and has a handle for easy carrying. Each underpad is individually folded and packed in a plastic bag for hygienic purposes. The box has a product label with the product name, size, and quantity.

Shipping:

The disposable underpads are shipped in a sturdy cardboard box with a clear shipping label. The box is sealed with tape to ensure the contents remain secure during transportation. The shipping label includes the recipient's name and address, the sender's information, and the tracking number for easy tracking. The shipment is sent via a reliable shipping service and typically arrives within 3-5 business days.
