### Product Description

Disposable Underpad for Adults 4 Adhesive Strips Other Name Adult Diaper Underpad

### Product Description:

Our Product Introduction

These absorbent medical bed pads are perfect for everyday use, providing superior protection against wetness and odors. Whether you're dealing with occasional leaks or chronic incontinence, our disposable underpads are the ideal choice for reliable protection. With a water absorption capacity of 500ml or OEM, our underpads are able to handle even the heaviest of leaks, ensuring that you stay dry and comfortable all night long.

Our disposable underpads are also a great choice for agility training products. They can be used to protect floors and carpets during housebreaking or for any other training needs. With a lead time of just 3 to 10 days, you can be sure that you'll receive your order in a timely manner.

Our incontinence bed underlays are designed to be used in any room of your home, and are suitable for use with any type of bedding. With support for room space selection, you can be sure that our underpads will fit seamlessly into your existing decor.

So why wait? If you're looking for a reliable, affordable, and convenient solution to your incontinence or training needs, look no further than our disposable underpads. Order now and experience the comfort and security of our absorbent medical bed pads for yourself!

## Applications:

The Disposable Underpad is made in China and is certified by CE, FDA, ISO9001, ISO13485, and FSC. It has a minimum order quantity of 100000pcs and retails at a price range of 0.04-0.1usd, depending on the packaging details, which include 10pcs, 15pcs, 20pcs, 30pcs, and 50pcs. The delivery time is 10-15 days, and the payment terms are TT. The Disposable Underpad has a supply ability of 80000000pcs per month.

The Disposable Underpad is suitable for different room spaces, making it easy to use in different settings. It is also known as an adult diaper underpad and is perfect for everyday use. The product has three layers, which ensure maximum absorbency and comfort. It also has four adhesive strips that keep it securely in place, preventing any accidents.

The Disposable Underpad is ideal for people who suffer from incontinence. It can also be used for post-surgery care or for people who are bedridden. The product is also suitable for use in hospitals, nursing homes, and other medical facilities. The product is known by different names, including incontinence bed underlays, waterproof disposable mattress pads, and absorbent disposable bed pads.
