Product Description

Latex-Free Incontinence Briefs with Wetness Indicator and Waterproof

Product Description:

Our Pr

Our incontinence briefs come in four sizes: small, medium, large, and X-large, allowing for a comfortable and secure fit for all body types. The briefs are available in three colors: white, beige, and blue, providing a discreet and stylish option for all preferences. The material used in our incontinence briefs is a combination of cotton, polyester, and nylon, ensuring maximum comfort and durability. The cotton allows for breathability, while the polyester and nylon provide strength and durability for long-lasting wear. Each pack of our Protective Underwear for Incontinence contains either 20, 30, or 40 briefs, providing a convenient and cost-effective option for those in need. The briefs are easy to care for and can be reused, making them a sustainable and eco-friendly choice. Our Absorbent Incontinence Bottoms are the perfect solution for those experiencing incontinence. With three levels of absorbency, four sizes, three colors, and a combination of cotton, polyester, and nylon, our Protective Underwear for Incontinence provides comfort, durability, and convenience. Order your pack today and experience the relief and comfort of our incontinence briefs.

Our Incontinence Briefs are certified with CE, ISO9001, ISO1348, FDA, and FSC, ensuring our customers receive a high-quality product that meets international standards. The minimum order quantity for our Incontinence Briefs is 60000, and the price ranges from 0.1\$-0.25\$. Our packaging details include 10pcs/20pcs/30pcs, providing customers with flexibility in their purchase options. We have a supply ability of 8000000 per month, ensuring that we can meet the demands of our customers.

Our Incontinence Briefs are designed with odor control technology, ensuring that users can feel confident and comfortable throughout the day. The waterproof material also provides an added layer of protection against leaks, making them ideal for individuals with moderate to heavy incontinence.

Our Incontinence Briefs are suitable for both men and women, making them a versatile product for caregivers and individuals. They are perfect for use in nursing homes, hospitals, and other healthcare facilities. Additionally, they are great for individuals who are on-the-go, as they can be easily carried in a purse or bag.

Our Incontinence Briefs are also available in the form of diaper shorts for incontinence, providing even more flexibility for users. They offer the same level of protection and comfort as our traditional urinary incontinence briefs, but with the added benefit of a more discreet design.

Our Incontinence Briefs are proudly made in China, ensuring that we are providing our customers with a high-quality product at an affordable price. Our delivery time is 10 days, and our payment terms include TT.
