Our Product

### Product Description

Superior Absorbent Disposable Pet Pads for Other Small Animals Green

### Product Description:

Each pad comes in a disposable design, making it easy to use and dispose of after use. The pads come in a convenient pack of 50pcs per bag, making it easy to stock up and use as needed.

The pads come in three different colors - white, blue, and green - allowing you to choose the color that best suits your preferences. These pads are perfect for use with puppies or older dogs that have trouble holding their bladder.

The main advantage of our Absorbent Disposable Pet Pads is their super absorbency. These pads can quickly absorb and lock in wetness, preventing any leaks or messes on your floors or carpets. This makes it easy to clean up after your pets and keep your home clean and hygienic.

Whether you are potty training your new puppy or looking for a convenient way to manage your older dog's incontinence, our Absorbent Disposable Pet Pads are the perfect solution. So why wait? Order yours today and experience the convenience and effectiveness of these amazing pet training mats!

Our customizable brand is proud to say that our Disposable Pet Pads are made in China and have been certified with CE, ISO9001, ISO1348, FDA, and FSC. The minimum order quantity is 100,000 and the price ranges from 0.05\$-0.15\$ depending on the packaging details. Speaking of packaging, our pet pads come in 10pcs, 20pcs, and 30pcs packaging options.

Our Moisture Locking Disposable Pet Mats are made with super absorbent USA imported pulp underpad, making them able to handle even the messiest of accidents. The pads are designed to be disposable, so there's no need to worry about cleaning them up after use. These pet pads are perfect for a variety of occasions and scenarios. For pet owners who are house-training their new puppies, our Disposable Pet Pads are a great way to ensure messes are contained and easily cleaned up. For older dogs who may have accidents, these pet pads are also a great way to protect floors and carpets from damage. Additionally, for busy pet owners who may not have time to take their pets outside as often as they'd like, our Moisture Locking Disposable Pet Mats are a great alternative to ensure pets are comfortable and accidents are contained.

Our Disposable Pet Pads come in various sizes to accommodate different pets, from small puppies to large dogs. These pet pads are also very absorbent, making them great for pets who tend to have larger accidents. The pads come in poly bags or boxes for easy storage and use.

We pride ourselves on the quality of our Moisture Locking Disposable Pet Mats. Our super absorbent pads are designed to lock in moisture and keep your home clean and hygienic. With a supply ability of 58,000,000 per month, we ensure that you will never run out of our high-quality pet pads.

Order now and see the difference our quick dry pet pee pads can make for you and your pets!
