Our Product

Product Description

3 Layers Heavy Absorbency Sanitary Napkin for Customer Requirements

Product Description:

With our menstrual pads, you can enjoy the highest level of comfort. We understand that menstruation can be uncomfortable, which is why we have designed our pads to be soft and gentle on your skin. You can wear our pads for extended periods without feeling any discomfort.

The wings on our menstrual pads provide exceptional protection against leaks. You can wear our pads with confidence, knowing that you won't experience any embarrassing leaks. These pads are perfect for women who have a heavy flow and want to stay protected throughout their period.

Our menstrual pads are highly absorbent, making them the perfect choice for women who want to stay dry and comfortable throughout the day. These pads can absorb a significant amount of fluid, providing you with the ultimate protection and confidence. You can wear our absorbent pads for extended periods without feeling any discomfort or experiencing any leaks.

Our menstrual pads are the perfect choice for women who want to stay protected during their period. They are designed to provide you with the ultimate comfort, absorbency and leak protection. You can wear our pads with confidence, knowing that you are protected throughout the day. Whether you have a heavy flow or a light one, our pads are the perfect choice for all women.

We accept TT payment terms and have a supply ability of 58000000 pads per month.

Our menstrual pads are designed to provide maximum comfort and protection during periods. They are hypoallergenic and breathable, making them suitable for women with sensitive skin. The adhesive backing ensures that the pad stays in place, providing peace of mind for the user. Our pads are available in regular size and are highly absorbent, making them ideal for heavy flow days.

Our menstrual pads are a necessary feminine hygiene product that can be used during menstruation. They are designed to absorb menstrual blood, preventing any leakage and keeping the user dry and comfortable. Our pads are suitable for use during the day and night, providing protection for up to 8 hours.

Our pads can be used in a variety of occasions and scenarios including during work, school, exercise, and while sleeping. The different sizes offered by our brand ensure that there is a perfect fit for every woman. Our pads are also ideal for use while traveling, providing a convenient and discreet way to manage menstruation.
