#### Product Description

Leak Protection and Breathable Feminine Hygiene Product within Your Budget

**Product Description:**

Our Pr

Our menstrual pads are also breathable, allowing air to circulate freely and prevent moisture buildup. This helps to reduce the risk of bacterial growth, which can lead to infections and other health issues. Our pads are designed to be comfortable and soft, with a gentle touch that will not irritate your skin. This makes them ideal for those with sensitive skin or allergies, as they are hypoallergenic and free from any harsh chemicals.

Our menstrual pads come in a pack of 10, providing you with enough pads for your entire menstrual cycle. This means you don't have to worry about running out of pads and can focus on your daily tasks without any interruptions. Our pads are also conveniently packaged, making them easy to carry in your purse or bag, so you can be prepared for any unexpected surprises.

Our menstrual pads are unscented, making them suitable for those with fragrance sensitivities. We understand the importance of using a product that is gentle on your skin and does not cause any irritation. Our pads are designed to provide you with maximum protection and comfort, without compromising on quality or performance.

Our menstrual pads are the perfect choice for those who want to stay comfortable and confident during their menstrual cycle. With our high-quality pads, you can now enjoy an active lifestyle without worrying about leaks or discomfort. Our pads are made with the highest quality materials, so you can rest assured that you are using a product that is safe and reliable.

## Features:

Product Name: Menstrual Pad

Wings: Yes

## Applications:

The customizable menstrual pads are designed to be suitable for various occasions and scenarios. They are perfect for everyday use, whether at home, work, or school. They are also ideal for sports and other physical activities, providing reliable protection and freedom of movement. The pads are unscented, making them suitable for those with sensitive skin or allergies. The adhesive wings ensure that the pad stays in place, providing maximum protection against leaks.

The pads come in regular size, with three layers of absorbent materials that lock in moisture and prevent leakage. The packaging details for the pads include 10pcs, 20pcs, or 30pcs, making it convenient for women to buy in bulk and save money. The minimum order quantity for the product is 200000, with a price range of 0.1\$-0.25\$. The delivery time for the pads is 10 days, with payment terms being TT. The supply ability for the pads is 58000000 per month, ensuring that the product is always available for purchase.

In conclusion, customizable menstrual pads are a must-have period product for women who value comfort, reliability, and convenience. The pads offer excellent menstrual protection for various occasions and scenarios, with features such as adhesive wings, three layers of absorbent materials, and unscented fragrance. With certifications such as CE, ISO9001, ISO1348, FDA, and FSC, customers can rest assured of the quality and safety of the product.

## Customization:

## Packing and Shipping:

### Product Packaging:

Each pack contains 10 individually wrapped menstrual pads, providing discreet and convenient storage and transport. The packaging is made from recyclable materials and is designed to be easy to open.

### Shipping:

We offer free shipping on all orders of our menstrual pads within the United States. Orders are typically processed and shipped within 2-3 business days. We use environmentally-friendly packaging materials to minimize our carbon footprint.
