Our Product

### Product Description

**Product Description:**

These pads are available in regular size, which is perfect for everyday use. They are also thin, which means they won't feel bulky or uncomfortable, allowing you to move around with ease.

Our feminine pads are designed to provide leak protection for up to 8 hours, giving you peace of mind throughout the day. You won't have to worry about any embarrassing leaks or stains.

Our pads are perfect for women who have busy lifestyles and need a reliable and comfortable option during their periods. They are also great for those who prefer to use natural materials on their bodies.

Our sanitary towels are easy to use and dispose of, making them a convenient option for women on-the-go. They are also affordable, so you won't have to break the bank to stay protected during your menstrual cycle.

Get ready to experience ultimate comfort and protection with our feminine pads. Order your pack today and see the difference for yourself!

### Applications:

Customable sanitary pads are a must-have for all women and girls who need menstrual protection. These sanitary napkins are a type of feminine hygiene product that is made in China and has obtained CE, ISO9001, ISO1348, FDA, and FSC certifications, ensuring that they are of high quality. The minimum order quantity for these pads is 200,000, and they are priced between 0.01\$-0.025\$ per pad, depending on the package size, which can be 10pcs, 20pcs, or 30pcs. Delivery time is 10 days, and payment terms are TT. These pads have a supply ability of 8,000,000 per month.

Customable sanitary pads are made with hypoallergenic cotton material, making them perfect for sensitive skin. They are available in four different sizes: S, M, L, and XL. The strong adhesive on the back of the pad ensures that it stays in place throughout the day, providing leak protection for up to 8 hours.

The product application occasions and scenarios for customable sanitary pads are vast. Women and girls can use them during their menstrual cycles for protection against leakage. They can also be used for postpartum bleeding, urinary incontinence, or any other situation where menstrual protection is necessary. These pads are perfect for use during sports activities or any other physical activity, as they stay in place and provide leak protection.

### Customization:

### Packing and Shipping:

#### Product Packaging:

The sanitary pads are packaged in a box containing 10 individual pads. The box is made of eco-friendly cardboard material and has a flap to easily open and close. The design is discreet and does not draw attention to the product inside.

#### Shipping:

The sanitary pads are shipped in a plain, unmarked box to ensure privacy and confidentiality. The shipping box is also made of eco-friendly cardboard material to reduce environmental impact. Each order is shipped within 24 hours of purchase and delivery typically takes 3-5 business days.
