Product Description

Disposable Menstrual Briefs Hypoallergenic and Disposable for Maximum Protection

Product Description:

Our Pr

Our Disposable Period Panties are specially designed for women who want to stay comfortable, dry, and confident during their menstrual period, postpartum bleeding, or incontinence. The absorbent polymer layer in the panties quickly absorbs and locks in the fluid, preventing any leaks and keeping you feeling fresh and dry.

Our Disposable Period Panties are perfect for women who want to avoid the hassle of washing and drying reusable panties. With our Disposable Period Panties, you can simply wear them and dispose of them after use, making them a convenient and hygienic option. Our Disposable Period Panties are available in four sizes: Small, Medium, Large, and Extra Large, ensuring a comfortable and snug fit for women of all sizes. The elastic waistband and leg openings provide a secure fit, preventing any leaks or accidents.

Our Postpartum Disposable Underwear is a must-have for new moms who are experiencing postpartum bleeding. These panties are designed to provide maximum protection and comfort during this sensitive time. The absorbent polymer layer quickly absorbs any fluid, preventing any leaks and keeping you feeling dry and comfortable.

The discreet design of our Disposable Period Panties makes them the perfect choice for women who want to stay confident and worry-free during their menstrual period, postpartum bleeding, or incontinence. You can wear them with any outfit, and no one will even know you are wearing them.

In conclusion, our Disposable Period Panties are a convenient, hygienic, and comfortable option for women who want to stay protected and confident during their menstrual period, postpartum bleeding, or incontinence. They are made of high-quality materials that ensure maximum absorption and leak-proof protection. With four sizes available, you can be sure to find the perfect fit for your body.

Applications:

The Disposable Period Panties are available in a range of sizes including S, M, L, and XL. They are made from a combination of cotton, spandex, and absorbent polymer to ensure maximum comfort and absorbency. The leak-proof design ensures that you can wear them with confidence, even on heavy flow days.

The breathability of the Disposable Period Panties is another important feature. This ensures that you stay cool and comfortable even on hot days. The material is soft and gentle on the skin, reducing the risk of irritation and discomfort.

The Disposable Period Panties are CE, ISO9001, ISO1348, FDA, and FSC certified, ensuring that they are of the highest quality. They are available in a range of packaging options, including 10pcs, 20pcs, and 30pcs, with a minimum order quantity of 200000. The price ranges from 0.1\$-0.25\$, making it an affordable and accessible option for women everywhere.

The Disposable Period Panties are an essential item for women who want to stay active and comfortable during their menstrual cycle.

They provide excellent protection and comfort, making them ideal for use at home, work, or during physical activities. They are also suitable for postpartum bleeding and incontinence, providing women with a reliable and discreet solution.

In terms of supply, customable can produce up to 8000000 Disposable Period Panties per month, ensuring that there is always a ready supply for customers. The delivery time is 10 days, and payment terms are TT.

In conclusion, the Disposable Period Panties from customable are a reliable and comfortable solution for menstrual protection. They are suitable for a range of occasions and scenarios, providing women with the confidence and comfort they need during their menstrual cycle. With a range of sizes, certifications, and packaging options available, customable is an excellent choice for women looking for a quality Sanitary Cycle Panties product.
