## Applications:

The customizable Sanitary Pad is a menstrual protection product that is designed for women to provide them with comfort and confidence during their monthly periods. The pads come in different sizes, including S, M, L, and XL, to cater to the various needs of women during their periods. The product is made in China and certified with CE, ISO9001, ISO1348, FDA, and FSC to ensure that it meets the highest hygiene and quality standards.

The minimum order quantity for these period pads is 200000 pieces, with a price range of 0.01\$-0.025\$ per unit depending on the quantity ordered. The pads are packed in 10pcs, 20pcs, or 30pcs, and delivery time takes 10 days. Payment terms are TT, and the supply ability is 8000000 per month. The pads are made of cotton material that is soft and breathable, making them comfortable to wear for extended periods.

The customizable Sanitary Pad is perfect for use during periods as it provides excellent menstrual protection. The pads come with wings that help to keep them in place, reducing the likelihood of leaks. The top sheet is soft and breathable, ensuring that women feel comfortable and dry throughout the day. The pads are unscented, making them perfect for women who are sensitive to fragrances.

The product is suitable for use in various occasions and scenarios, including at home, work, school, or while traveling. Women can wear the pads during the day or at night, knowing that they are well protected. The pads are also suitable for use during sports activities, providing women with the confidence to engage in physical activities without worrying about leaks. The customizable Sanitary Pad is an excellent hygiene pad that women can rely on for their menstrual protection needs.
