Our Product

Product Description

Top- Sanitary napkins with Hypoallergenic Cotton

Product Description:

Our pads are the perfect solution for women who are looking for reliable and comfortable menstrual pads. With their long length and thin design, these pads offer maximum coverage without feeling bulky or uncomfortable. You can go about your day without worrying about leaks or discomfort, thanks to our pads' superior leak protection.

Our pads are also unscented, making them ideal for women with sensitive skin or allergies to fragrances. You can rest assured that our pads won't cause any irritation or discomfort, even if you have the most sensitive skin.

Our pack of 32 pads is perfect for women who want to stock up on menstrual pads without having to worry about running out anytime soon. With this pack, you'll have enough pads to last you for several months, making it a convenient and cost-effective choice.

At our company, we understand the importance of providing women with high-quality menstrual pads that they can rely on. That's why we've created these pads to be long-lasting, comfortable, and reliable. Our pads are perfect for women who want to feel confident and comfortable during their monthly cycle.

Applications:

Our customizable brand sanitary pads are the perfect solution for menstrual protection needs. These hygiene pads are available in four different sizes: S, M, L, and XL. Our product is made in China and is certified with CE, ISO9001, ISO1348, FDA, and FSC, ensuring that our customers receive the highest quality products.

Our minimum order quantity is 200,000 and our prices range from 0.01\$-0.025\$ per pad. We offer three different packaging options: 10pcs, 20pcs, and 30pcs. Our delivery time is 10 days and we accept TT as our payment method. Our supply ability is 8,000,000 pads per month.

Our pads are designed to provide maximum comfort and leak protection for up to 8 hours. The material used in our sanitary towels is cotton, making it soft and gentle on the skin. The wings on our pads help to keep them in place, ensuring maximum security and protection.

Our product is perfect for a variety of occasions and scenarios, including everyday use, during exercise or physical activity, for overnight protection, and during heavy flow days. Our pads are also ideal for postpartum bleeding and for use after gynecological surgery.

With 32 pads in each pack, our regular sized sanitary pads provide long-lasting protection and comfort for women of all ages. Trust in our customizable brand to provide you with the best menstrual protection possible.

Customization:

Packing and Shipping:

Product Packaging:

The sanitary pads are packaged in a compact and hygienic manner. Each pad is individually wrapped in a plastic cover to ensure that it remains clean and safe for use. The pads are then packed in a box, which is sealed to prevent any contamination or damage during transit.

Shipping:

We offer fast and reliable shipping for our sanitary pads. All orders are processed within 24 hours and shipped via a trusted courier service. We take great care to ensure that the packages are securely packed to protect the contents during transit. Customers can track their orders online and expect delivery within 3-5 business days.
