Product Description

Product Description:

Our Sanitary Napkins have a Heavy absorbency, making them suitable for women with heavier flows. You can wear them with confidence, knowing that they will provide the protection you need. The adhesive on our Sanitary Napkins is Strong, ensuring that they stay in place and do not move around. This means that you can go about your day without worrying about leaks or discomfort. As a Feminine Care Product Maker, we understand the importance of producing high-quality products that are safe and comfortable to use. That is why we use only the best materials in the manufacture of our Sanitary Napkins. We also follow strict quality control standards to ensure that every product that leaves our factory meets our high standards. Our Sanitary Napkins are perfect for women who want to feel confident and comfortable during their period. They are also suitable for use during other times of the month when you need a little extra protection. So, if you are looking for a reliable Menstrual Pad Manufacturer, look no further than our Sanitary Pad Factory. Contact us today to find out more about our range of products.

Applications:

Our Model Number includes pant liner, day, night, and over night sanitary napkins. These products are perfect for women who require different absorbency levels at different times of the day and night. Our Sanitary Napkin Manufacturer product is made in China and comes with CE FDA ISO9001 certification. The minimum order quantity is 200,000 pieces, and the price ranges from 0.01-0.05 USD.
