Product Description

Product Description:

Our sanitary pads come in a regular size, making it suitable for everyday use. The regular size ensures that it is not too bulky, and it fits comfortably inside your underwear. The pads are made of 100% pure cotton material that is soft and gentle on your skin. The cotton material is also hypoallergenic, so it is perfect for women with sensitive skin.

One of the best features of our sanitary pads is the wings. The wings on the sides of the pad provide extra protection against leakage and help keep the pad in place. The wings are designed to wrap around the sides of your underwear, providing maximum coverage and protection.

Our sanitary pads offer up to 8 hours of leak protection. This means that you can wear the pads all day without worrying about any leakage or stains. The pads are designed with a special layer that quickly absorbs the menstrual flow, keeping you dry and comfortable throughout the day.

In conclusion, our sanitary pad product is an excellent choice for women looking for a reliable and comfortable menstrual protection product. With its regular size, hypoallergenic cotton material, wings, and 8-hour leak protection, our sanitary pads are an excellent investment for your feminine hygiene needs.
