This product is a hygiene pad, also known as a feminine pad or menstrual pad, designed for women during their menstrual cycle.

Applications:

Periods are a natural part of a woman's life, and it is essential to have the necessary products to manage it. Customable Sanitary Pads are one of the best Feminine care products available in the market. These Sanitary towels are perfect for use during periods, and they provide the necessary protection and comfort during those days.

The Sanitary Pads are available in four different sizes: S, M, L, XL, making them perfect for women of all ages. These pads are made in CHINA and come with certifications like CE, ISO9001, ISO1348, FDA, and FSC. The minimum order quantity for these pads is 200000 and is priced between 0.01\$-0.025\$. The packaging details for these pads are 10pcs/20pcs/30pcs, and the delivery time is 10 days. The payment terms for these pads are TT, and the supply ability is 8000000 per month.

Customable Sanitary Pads come in a regular size and are unscented, making them perfect for women with sensitive skin. Each pack contains 32 pads with super absorbency, making them perfect for heavy flow days. The pads come with wings, which ensures that they stay securely in place, providing maximum protection.

The Sanitary Pads can be used in various scenarios like during work, travel, and daily activities. They are perfect for women who have an active lifestyle and need a product that can provide maximum protection and comfort. These pads are also perfect for women who have just given birth and need a product that can provide postpartum protection.

In conclusion, Customable Sanitary Pads are the perfect Feminine care products for women who want maximum protection and comfort during their periods. These Sanitary towels are affordable, easy to use, and come with certifications that ensure their quality. They can be used in various scenarios and are perfect for women who have an active lifestyle.
