### Applications:

Our Sanitary Towel Manufacturer products are suitable for women of all ages and are designed to provide maximum comfort and protection. The pant liner model is perfect for daily use and can be worn with any type of underwear. The day model is ideal for moderate flow days while the night model provides extra protection for heavy flow days. The over night model is designed to provide maximum protection during the night when women tend to have heavier flow.

All of our products feature strong adhesive to keep them in place, long length for maximum coverage, and waterproof back sheet to prevent leakage. Our sanitary napkins are also equipped with wings to prevent side leakage and provide extra security. The absorbency level is heavy, making our products perfect for those with heavy flow.

Our packaging details are customizable and we offer fast delivery time of 20 days. The payment terms are TT and our supply ability is 10000000 pcs per month, making us a reliable and efficient Sanitary Pad Factory.
