Our Product

Product Description

Product Description:

Our Moisture Locking Disposable Pet Mats are designed for both indoor and outdoor use, making them a versatile choice for pet owners. These pads feature super absorbent technology that quickly locks in moisture and prevents leaks, so you can be sure your floors and carpets stay dry and clean.

One of the biggest advantages of our Moisture Locking Disposable Pet Mats is their super absorbency. These pads can hold up to several cups of liquid, making them ideal for pets of all sizes. They are also designed to be leak-proof, so you don't have to worry about any messes seeping through onto your floors or carpets.

Our Premium Disposable Pet Training Pads are easy to use and dispose of, making them a great choice for busy pet owners. Simply place the pad in a convenient location and let your pet do their business. Once the pad is soiled, you can easily dispose of it in the trash, without any mess or fuss.

Overall, our Moisture Locking Disposable Pet Mats are a must-have for any pet owner who wants to keep their home clean and mess-free. With their super absorbent technology, leak-proof design, and convenient disposable format, these pads are the perfect solution for managing all kinds of pet messes.

The Absorbent Disposable Pet Pads are a great solution for pet owners who need liquid absorbing disposable pet pads that are leak proof.

Applications:

The Ultra Absorbent Pet Potty Pads are an essential item for pet owners who are looking for a convenient and hygienic solution to their pet's potty needs. These Moisture Locking Disposable Pet Mats are suitable for dogs, cats, and other small animals. They are made from high-quality materials and are customizable to fit your pet's needs. Each pad is designed to offer superior absorbency and moisture locking capabilities, ensuring that your floors and carpets stay clean and dry.

These Odor Control Pet Underpads are perfect for use in a variety of situations, including house training, traveling, and incontinence. They are also ideal for use in pet carriers and crates, making them a must-have item for pet owners who love to travel with their furry friends.

Our Disposable Pet Pads are made in China and are certified with CE, ISO9001, ISO1348, FDA, and FSC. They come in four different sizes: S, M, L, and XL, and have a minimum order quantity of 100000. The price ranges from 0.05\$-0.15\$ per pad, depending on the size and quantity you choose. The packaging details include 10pcs, 20pcs, or 30pcs per pack, and the delivery time is 10 days. The payment terms are TT, and the supply ability is 58000000 per month.

Our Disposable Pet Pads are super absorbent and feature SAP technology from Sumitomo or Sundia, ensuring that they hold more liquid and lock in moisture better than other pads on the market. They are also designed to be odor-free, so you won't have to worry about any unpleasant smells in your home.

The Disposable Pet Pads are perfect for a variety of occasions and scenarios. They are great for use indoors, outdoors, and in vehicles. They are also ideal for use in pet hospitals, veterinary clinics, and animal shelters. Whether you are potty training your new puppy, dealing with an older dog with incontinence issues, or simply want to keep your floors and carpets free from pet messes, these pads are the perfect solution.
