Product Description

Product Description:

Our Pr

Our Absorbent Disposable Pet Pads are made from high-quality materials, including USA imported pulp underpads, which ensure maximum absorbency and quick drying. The underpads come in a variety of colors, including white, blue, and green, so you can choose the one that best suits your pet's needs.

Our Disposable Pet Pads are designed to be used once and then disposed of, making them a convenient and hygienic solution for pet owners. The pads are also great for use during house training or for pets that have incontinence issues.

The pads come in OEM packaging, which ensures they are fresh and ready to use. The packaging is also designed to be easy to store, so you can keep a supply on hand for whenever you need them.

One of the key features of our Disposable Pet Pads is their odor control capabilities. The pads are designed to lock in odors, ensuring your home stays fresh and clean, even if your pet has an accident.

In summary, our Odor Control Pet Underpads are a convenient and hygienic solution for pet owners. They are quick drying, absorbent, and come in a range of colors to suit your preferences. With their odor control capabilities, you can be sure your home will stay fresh and clean, even if your pet has an accident.

Features:
