Product Description

Product Description:

Our Pr

The top sheet of our adult diapers is made of a soft backsheet material that is gentle on the skin, providing a comfortable and irritation-free experience. The white color of the diaper makes it discreet and easy to wear under any clothing, giving the wearer the confidence to go about their day without worrying about leakage.

Our diapers are heavy absorbency, ensuring that the wearer stays dry and comfortable for an extended period. The absorbent core of the diaper can hold a significant amount of liquid, making it perfect for those who need extra protection during the day or night.

Our adult diapers are disposable, making them a convenient and hygienic solution to incontinence issues. They are designed to be easily disposed of after use, reducing the risk of infection and odor. The disposable adult undergarment is perfect for caregivers who are looking for a practical and cost-effective solution to their patient's incontinence needs.

The adult diapers are suitable for all age groups, providing a comfortable and reliable solution to those who have incontinence issues. Whether you are an older adult or a younger individual with incontinence issues, our adult diapers will provide you with the protection you need.

Our adult diapers are an excellent choice for those who need disability bed pads or continence protection pants. They are easy to wear and provide the wearer with the confidence to go about their daily activities without worrying about leakage or discomfort. Our adult diapers are available in different sizes to ensure a perfect fit for all individuals.

In summary, our adult diapers are a high-quality and reliable solution to incontinence issues. They are made of soft backsheet material, heavy absorbency, disposable, and suitable for all age groups. Our adult diapers are perfect for those who require disability bed pads or continence protection pants. Try our adult diapers today and experience maximum comfort and protection.

Applications:

customable Adult Pull-up Diapers, also known as disposable adult undergarment, is a highly absorbent and comfortable solution for individuals who are dealing with incontinence or any other disability bed pads issues. It is designed to provide maximum protection against leaks, odors, and moisture, making it an ideal solution for people who require extra support and care.

These customable adult pull-up diapers come in four different sizes - S, M, L, and XL, to accommodate a wide range of waist sizes from 28-40 inches. The product is made in China and comes with CE, ISO9001, ISO1348, FDA, and FSC certifications, ensuring that it meets all the quality standards and is safe for use.

The minimum order quantity for this product is 100,000, and the price ranges from 0.1\$-0.25\$ per piece, depending on the packaging details. The product comes in three different packaging options - 10pcs, 20pcs, and 30pcs, making it easier for the customers to choose the one that suits their needs.

The delivery time for this product is 10 days, and the payment terms are TT. With a supply ability of 8,000,000 per month, customers can rely on the availability and quality of the product whenever they need it.

The customable adult pull-up diapers are ideal for various occasions and scenarios, including:

People who suffer from incontinence

Disabled individuals who require extra support and care

Post-surgery patients who need to be bedridden for an extended period

Travelers who need a convenient and comfortable solution for long journeys

Individuals who have limited mobility and need assistance with changing their undergarments frequently

The heavy absorbency of the diaper makes it perfect for people who require maximum protection against leaks and moisture. The disposable nature of the product makes it easy to use and dispose of, ensuring maximum hygiene and convenience for the users.
