### Product Description

## Product Description:

One of the standout features of our Adult Diaper Briefs is the wetness indicator. This helpful feature lets you know when it's time to change your diaper, so you can stay fresh and dry all day long. Additionally, these diapers feature odor control technology to help keep you feeling confident and comfortable. With leak guards and an elastic waistband, you can enjoy maximum protection and a snug, secure fit all day long.

Our Adult Diaper Briefs are made in the USA, China, and Europe to ensure the highest quality standards. They are available in light, moderate, heavy, and overnight absorbencies, so you can choose the option that works best for your needs. Whether you're looking for a discreet and comfortable solution for daytime use or a more heavy-duty option for overnight wear, our disposable breathable diapers have got you covered.

When it comes to managing incontinence, you need a product that you can rely on. Our Adult Diaper Briefs are designed to be absorbent, waterproof underwear that can help you stay dry and comfortable all day long. With their breathable design, you can enjoy maximum comfort and avoid irritation or discomfort. Plus, since they are disposable, you can enjoy the convenience of simply tossing them out after use.

So why wait? If you're looking for a reliable, comfortable, and effective solution to manage incontinence, our Adult Diaper Briefs are the perfect choice. With their wetness indicator, odor control, leak guards, and elastic waistband, you can enjoy the peace of mind that comes with knowing you're protected. Order yours today and experience the difference for yourself!

These Adult Diaper Briefs are a Maximum Absorbent Undergarment designed for Elderly Care Protective Briefs. They provide All-Night Protection Nappy to ensure a comfortable and dry experience for the wearer.

## Applications:

These adult diaper briefs are suitable for a variety of occasions and scenarios. They are an excellent choice for elderly individuals or those with mobility issues who require assistance with toileting. They are also ideal for individuals with incontinence issues who need reliable protection throughout the day or night. The wetness indicator feature alerts caregivers when it is time for a change, ensuring that the wearer stays clean and dry.

These adult diaper briefs are available in sizes S, M, L, and XL, making them suitable for individuals of all shapes and sizes. They are made in China with CE, ISO9001, ISO1348, FDA, and FSC certifications, ensuring their quality and safety. The minimum order quantity is 60000, with a price range of \$0.1-\$0.25 per piece. The packaging details include 10pcs, 20pcs, or 30pcs per pack, with a delivery time of 10 days and payment terms of TT.

These adult diaper briefs also feature odor control and leak guard technology, ensuring that the wearer stays fresh and dry throughout the day. They are available in quantities of 10, 20, 30, 40, and 50, making them suitable for both personal and professional use. With a supply ability of 8000000 per month, these adult diaper briefs are a reliable and cost-effective solution for anyone in need of incontinence care.

## Customization:

With a minimum order quantity of 60,000 and a price range from 0.1\$-0.25\$, our adult diaper briefs are an affordable and effective solution for your needs. They come in packaging details of 10pcs, 20pcs, and 30pcs and can be delivered within 10 days. We accept TT as our payment terms and have a supply ability of 8,000,000 per month.

Our adult diaper briefs come in various quantities, including 10, 20, 30, 40, and 50, and are available in four absorbency levels: light, moderate, heavy, and overnight. They feature a convenient tape tabs closure type and are fragrance-free. Additionally, you can choose from four colors: white, blue, pink, and purple.

Order your customizable adult diaper briefs today and enjoy the peace of mind that comes with superior leak-proof protection.
