Product Description

Our

Product Description:

Made from high-quality materials, these adult diaper briefs come in a range of material types, including cloth-like, plastic, and cotton. This means you can choose the material that best suits your needs and preferences, whether you prioritize comfort, durability, or breathability. The cloth-like material is soft and gentle against the skin, while the plastic material is durable and long-lasting. The cotton material is breathable and hypoallergenic, making it perfect for those with sensitive skin.

In terms of absorbency, these adult diaper briefs are available in a range of options, from light to moderate to heavy to overnight. This makes them suitable for a variety of incontinence needs, whether you need a quick and discreet solution for light leaks or a more heavy-duty option for overnight use. No matter what your needs are, these adult diaper briefs have got you covered.

One of the best things about these adult diaper briefs is that they are latex-free, making them suitable for those with latex allergies or sensitivities. This means you can use them with confidence, knowing that they won't cause any adverse reactions or discomfort.

When it comes to color options, these adult diaper briefs are available in white, blue, pink, and purple, giving you plenty of choices to suit your personal style and preference. Choose a color that matches your outfit or opt for a fun and playful color to add a pop of brightness to your day.

Finally, these adult diaper briefs feature a tape tab closure type, which ensures a secure and comfortable fit. The tape tabs are easy to use and adjust, allowing you to get the perfect fit every time.

Overall, these adult diaper briefs are a top-quality choice for anyone looking for a reliable and discreet solution for incontinence. Whether you need a light, moderate, heavy, or overnight option, these disposable breathable diapers are sure to meet your needs. Plus, with their latex-free design, range of color options, and tape tab closure type, they're both comfortable and convenient to use. So why wait? Try them today and experience the difference for yourself!

Applications:

Introducing the advanced Adult Diaper Briefs from customizable, designed to provide maximum comfort and protection for adults with incontinence. These disposable briefs are available in four sizes - S, M, L, and XL - to ensure a perfect fit for every user. Made in China, these diapers are of high quality and have received CE, ISO9001, ISO1348, FDA, and FSC certifications, ensuring their safety and reliability.

Our Adult Diaper Briefs are perfect for a variety of occasions and scenarios. They are ideal for individuals with incontinence issues who want to maintain their dignity and independence. These Incontinence Absorbency Pants are designed to provide all-night protection, helping users to sleep comfortably without worrying about leaks. They are also great for use during long trips or outings, as the wetness indicator alerts users when it's time for a change.

The Leak Guard feature of these Adult Diaper Briefs ensures that users stay dry and comfortable, even during heavy use. The elastic waistband provides a secure and comfortable fit, while the Odor Control feature ensures that there is no unpleasant smell. These features make our Adult Diaper Briefs a great choice for both men and women.

Our Adult Diaper Briefs are available in different quantities - 10, 20, 30, 40, and 50 - to meet the needs of every user. They are hypoallergenic, making them suitable for even the most sensitive skin. These All-Night Protection Nappy are perfect for use in hospitals, nursing homes, or home care settings, where they help to maintain hygiene and prevent skin irritation.

Our Adult Diaper Briefs are priced competitively, ranging from 0.1\$-0.25\$ per piece, depending on the quantity ordered. The packaging details are 10pcs/20pcs/30pcs, and the minimum order quantity is 60000. We offer fast delivery times, with a turnaround time of just 10 days. Payment can be made through TT, and we have a supply ability of 8000000 per month.
