Applications:

The customizable menstrual pad is a feminine hygiene product that is designed to provide reliable protection and comfort during periods. It is a disposable pad that comes in four different sizes - S, M, L, and XL, making it suitable for women of all shapes and sizes. The product is made in China and comes with certifications such as CE, ISO9001, ISO1348, FDA, and FSC, ensuring its quality and safety.

The menstrual pad is an essential product for women during their menstruation cycle, and it is suitable for a variety of occasions and scenarios. Here are some of the most common application occasions:

At home: The menstrual pad is perfect for women who prefer to stay at home during their period. It provides reliable protection against leaks and stains, allowing women to go about their daily activities without worrying about accidents.

At work: The menstrual pad is also suitable for women who work outside the home. It is discreet and comfortable, making it easy to wear all day long. The breathable layers ensure that women stay dry and comfortable, even during long work hours.

During exercise: The menstrual pad is designed to stay in place, even during rigorous exercise. It provides maximum absorbency, making it suitable for women who engage in sports or other physical activities.

While traveling: The menstrual pad is a convenient product to use while traveling. It is lightweight and easy to carry, making it an ideal choice for women who are always on the go. The product comes in different packaging details such as 10pcs/20pcs/30pcs and can be easily packed in a purse or backpack.

The customizable menstrual pad is available in a regular size and comes in a pack of 10 pads. It has a heavy absorbency capacity, making it suitable for women with heavy flow. The product is breathable, ensuring that women stay fresh and comfortable throughout the day. It has three layers, providing maximum protection against leaks and stains.

The minimum order quantity for the product is 200,000, and the price ranges from \$0.1 to \$0.25 per pad. The delivery time for the product is 10 days, and the payment terms are TT. The supply ability of the product is 58,000,000 per month, ensuring that customers can get their orders fulfilled in a timely manner.
