Product Description

Product Description:

Our Disposable Period Panties are available in light, medium, and heavy absorbency levels, ensuring that you are fully protected regardless of your flow. Whether you need light protection for spotting or heavy protection for heavy flow days, we have got you covered. We understand the importance of comfort during menstruation, which is why our period panties are designed to be comfortable and easy to wear. The soft cotton material feels gentle against the skin, while the spandex ensures that the panties fit snugly and stay in place all day long.

Our Disposable Period Panties are also leak-proof, providing you with the peace of mind you need during your menstrual period or incontinence. You can trust our product to keep you protected and comfortable all day long.

Our product is not only designed for menstrual protection but also for postpartum bleeding and incontinence support. Our Leak-Proof Menstrual Underwear is perfect for new moms who need extra protection during their postpartum period. Our Incontinence Support Panties are designed to provide maximum protection for those experiencing incontinence.

Our Disposable Period Panties are also eco-friendly, making them the perfect choice for those who want to reduce their environmental impact. You can wear our product with confidence, knowing that you are making a positive impact on the planet.

Overall, our Disposable Period Panties are a reliable and comfortable solution for menstrual protection, postpartum bleeding, and incontinence support. With our product, you can enjoy worry-free days during your menstrual period, postpartum period, or incontinence. Try our Menstrual Protection Briefs today and experience the difference!

Applications:

Our Period-Proof Panties come in four sizes: Small, Medium, Large, and Extra Large, and are made from a combination of cotton, spandex, and absorbent polymer, ensuring that they are both breathable and hypoallergenic. They are also priced between \$0.1-\$0.25 per piece, and can be ordered in quantities as low as 200, with packaging options of 10pcs, 20pcs, or 30pcs. This makes them affordable and convenient for women of all ages and backgrounds.

Our Discreet Absorbent Panties are perfect for women who lead busy and active lifestyles. They provide a convenient and discreet way to manage menstrual periods and incontinence, without the need for bulky and uncomfortable pads or tampons. They are also ideal for postpartum bleeding, as they offer maximum protection and comfort during this sensitive time.

Our Disposable Period Panties are a must-have item for women who value comfort, convenience, and affordability. They are available in a variety of sizes and packaging options, and can be ordered in quantities of up to 8,000,000 per month. With a delivery time of just 10 days, and payment terms of TT, our product is both accessible and easy to order. So why wait? Try our customizable brand of Disposable Period Panties today, and experience the ultimate in comfort and protection!
