Product Description

Product Description:

Our menstrual pad features 3 layers of absorbent material, ensuring maximum protection from leaks and spills. The heavy absorbency makes it perfect for those with heavier periods. You can trust that our pad will keep you protected and give you the confidence to go about your day without worrying about leaks.

Our disposable pad is easy to use and convenient for those on-the-go, making it an ideal choice for women who are always on the move. It is also a great option for those who prefer not to use reusable pads, as it eliminates the need for washing and drying.

Our menstrual pad is not only highly functional, but it is also environmentally friendly. As a disposable product, it can be easily disposed of, reducing the amount of waste generated. This makes it an ideal choice for those who are conscious about their environmental impact. In summary, our disposable menstrual pad is a high-quality feminine care product designed to provide maximum menstrual protection for women. Made from hypoallergenic cotton and featuring 3 layers of absorbent material, it is perfect for those with heavier periods. Easy to use and environmentally friendly, it is the perfect choice for women who want to stay protected and comfortable during their menstrual cycle.
