Product Description

Product Description:

Our menstrual pads are designed with your comfort in mind. The breathable material ensures that you stay dry and comfortable all day long. Say goodbye to discomfort and irritation caused by other feminine hygiene products. Our pads provide the perfect balance of comfort and protection, allowing you to go about your day with confidence.

Our unscented pads are perfect for those with sensitive skin or allergies. They provide reliable protection without any added fragrances or chemicals, ensuring your skin stays healthy and irritation-free. Our pads are gentle on your skin, so you can feel confident using them during even the heaviest flow days.

Our disposable pads are easy to use and dispose of, making them a convenient option for women on-the-go. Simply place the pad in your underwear and go about your day. When it's time to change, simply wrap the pad in toilet paper and dispose of it in the trash. Our pads are discreet, so you can use them anywhere without feeling self-conscious.

Overall, our menstrual pads are a must-have for any woman looking for a reliable, comfortable, and convenient feminine hygiene product. With their breathable material, high level of comfort, and gentle protection, our pads are the perfect choice for women of all ages and lifestyles.

Applications:

The customizable menstrual pad is an essential feminine care product for women during their menstrual period. With its reliable leak protection, unscented fragrance, and adhesive wings, it provides maximum comfort and protection during menstruation.

The menstrual pad comes in four different sizes: S, M, L, and XL, ensuring that women of all shapes and sizes can find their perfect fit. With its three-layered design, it provides ultimate absorption and protection, ensuring that women can go about their daily activities without any worry or discomfort.

The menstrual pad is perfect for a variety of occasions and scenarios. It is ideal for women who lead active lifestyles, such as athletes, dancers, and fitness enthusiasts. Its leak protection and secure adhesive wings make it perfect for women who are always on the go, while its unscented fragrance ensures that it is discreet and comfortable to wear throughout the day.

The menstrual pad is also great for women who work long hours and cannot afford to change their pad frequently. Its three-layered design ensures that it can absorb a large amount of liquid, providing women with peace of mind and comfort throughout the day.

Whether it's for everyday use or for special occasions, the menstrual pad is an essential feminine care product that every woman needs. It is perfect for use during sports activities, travel, work, and leisure activities.

It is important to note that the menstrual pad is produced in China and has received various certifications such as CE, ISO9001, ISO1348, FDA, and FSC. The minimum order quantity is 200000 units and the price ranges from 0.1\$-0.25\$ per unit, depending on the packaging details (10pcs/20pcs/30pcs). Delivery time is estimated at 10 days and payment terms are TT. With a supply ability of 58000000 units per month, the menstrual pad is readily available to meet the needs of women around the world.
