### Product Description

## Product Description:

Our sanitary napkins are available in a variety of sizes to suit your needs, including 150mm, 190mm, 240mm, 285mm, 350mm, and 410mm. Whether you prefer a smaller size for lighter days or a longer and more absorbent napkin for heavier flow, we have you covered. Our sanitary napkins are designed to provide long-lasting protection and comfort, making them the perfect choice for anyone who wants to stay comfortable and confident throughout the day. Our products are made with a soft and breathable top sheet that helps to keep you feeling dry and comfortable even during the hottest and most humid days.

We understand that heavy flow days can be challenging, which is why we offer a range of heavy absorbency sanitary napkins to help you stay confident and comfortable no matter what your day brings. Our long-length sanitary napkins are designed to provide maximum protection and absorbency, so you can go about your day with confidence and peace of mind.

At our Menstrual Napkin Supplier factory, we are committed to providing the highest quality sanitary napkins at an affordable price. We use only the best materials and manufacturing techniques to ensure that our products meet the highest standards of quality and reliability. So whether you are looking for a reliable and comfortable sanitary napkin for everyday use, or a heavy absorbency napkin for those challenging days, we have you covered. Trust us to provide you with the best sanitary napkins on the market today!
