Our Product

### Product Description

**Product Description:**

Featuring a classic white color, the OEM Adult Diaper Underwear is a discreet and stylish choice for individuals in need of incontinence care. The white color adds a sense of cleanliness and freshness to the product, making it suitable for everyday use. Made from high-quality plastic material, this adult diaper underwear offers reliable leak protection and ensures long-lasting durability. The material is soft against the skin, minimizing the risk of irritation or discomfort for the user. As a testament to its quality and durability, the OEM Adult Diaper Underwear comes with a generous 3-year warranty. This warranty provides users with peace of mind knowing that they are investing in a product that is built to last and perform effectively over an extended period.

In addition to its superior quality and design, the OEM Adult Diaper Underwear offers advanced connectivity features. With wireless connectivity capabilities, users can easily monitor and manage their incontinence needs through compatible devices, ensuring a seamless and hassle-free experience.

Whether for personal use or professional care settings, the OEM Adult Diaper Underwear stands out as a reliable and innovative solution for managing incontinence. Its sleek design, durable construction, and advanced features make it a preferred choice among individuals seeking comfort, reliability, and discretion in their incontinence products.

## Applications:

When it comes to choosing the right adult diaper for various needs, the customizable adult diaper from our Diaper OEM manufacturer is a top choice. This product, available in sizes S, M, L, and XL, is designed to cater to a wide range of users' needs and preferences. Manufactured in CHINA, this customizable adult diaper comes with a range of certifications including CE, ISO9001, ISO1348, FDA, and FSC, ensuring high quality and safety standards are met. With a minimum order quantity of 100,000 units, this product is suitable for bulk purchases.

The price range of 0.1\$-0.25\$ per unit makes it a cost-effective option for both individual and commercial buyers. The packaging details offer flexibility with options of 10pcs, 20pcs, or 30pcs per pack, catering to different consumption needs. With a delivery time of 20 days and payment terms of TT, customers can expect a smooth and efficient ordering process. The supply ability of 8,000,000 units per month ensures a steady availability of the product in the market.

One of the standout features of this customizable adult diaper is its high waist band, providing extra comfort and security for the users. The white color and plastic material give a clean and durable finish to the product.

Whether for elderly care, medical use, or other specific needs, the customizable adult diaper in sizes S, M, L, and XL, with the special high waist band feature, offers a reliable and convenient solution. The wireless connectivity aspect adds to the modern appeal of this product, meeting the needs of users in various scenarios.
