Product Description

Product Description:

Stay comfortable and confident during your period with our premium sanitary pads. Our sanitary napkins are designed to provide maximum absorbency, making them ideal for heavy flow days. With a super absorbent core, you can trust our feminine pads to keep you dry and protected throughout the day.

Our unscented sanitary pads are perfect for those with sensitive skin or allergies. Say goodbye to irritating fragrances and hello to a fresh and clean feeling during your period. The hypoallergenic design ensures that these period pads are gentle on your skin, reducing the risk of irritation or discomfort.

The top sheet of our sanitary pads is made from soft and breathable material, providing a comfortable and irritation-free experience. The cotton material is not only gentle on the skin but also allows for air circulation, keeping you feeling fresh and dry all day long.

Whether you're at work, school, or on-the-go, our sanitary pads are the perfect choice for reliable protection and comfort. Don't let your period hold you back – trust our sanitary napkins to keep you feeling confident and secure during that time of the month.

Applications:

Hygiene pads, also known as sanitary pads or feminine pads, are essential feminine care products that provide women with comfort, protection, and peace of mind during their menstrual cycle. The customizable brand offers a range of sanitary pad options with model numbers S, M, L, and XL to cater to different flow levels and preferences.

Made in CHINA, these sanitary pads are manufactured in facilities that hold certifications such as CE, ISO9001, ISO1348, FDA, and FSC, ensuring high-quality standards and safety for the users. With a minimum order quantity of 200,000 units, the customizable sanitary pads are available at a competitive price range of \$0.01 to \$0.025 per pad, making them an affordable choice for women.

The packaging details for these hygiene pads include options for 3pcs, 2pcs, or 5pcs per pack, offering convenience and flexibility for users to choose based on their needs. The delivery time for orders is swift, with a turnaround of 10 days, and payment terms are accepted via TT for ease of transaction.

One of the standout features of the customizable sanitary pads is their super absorbency and thin design, providing maximum leak protection for up to 8 hours. The unscented fragrance ensures a comfortable and discreet experience for the users, making them suitable for daily wear.

With a supply ability of 8,000,000 units per month, the customizable sanitary pads are readily available to meet the demands of consumers. Whether for personal use or distribution, these hygiene pads offer a reliable and effective solution for feminine care needs, fulfilling the requirements of women seeking comfort and confidence during their menstrual cycle.
