Product Description

Product Description:

The top sheet material of our Disposable Underpad is made of high-quality non-woven fabric, providing a soft and comfortable surface for the user. With 3 layers of absorbent materials, these underpads are designed to quickly absorb and lock in moisture, keeping the surface dry and clean.

Whether you need incontinence bed underlays for personal use or disposable hospital underlays for medical facilities, our Disposable Underpad product is versatile and reliable. The customizable size options allow you to choose the perfect fit for your specific needs. When you order our Disposable Underpad product, you can expect a lead time of 3 to 10 days for delivery. This quick turnaround time ensures that you receive your waterproof disposable mattress pads promptly, so you can start using them right away. Invest in the comfort and protection of our Disposable Underpad product today. Say goodbye to worries about leaks and spills with these reliable and convenient underpads. Order now and experience the quality and performance of our top-of-the-line disposable underlays.

Applications:

Disposable underpads, also known as disposable hospital underlays, are versatile products designed to provide protection against leaks and spills in various scenarios. With their waterproof feature, these underpads are ideal for use in medical facilities, homes, and other environments where protection against fluids is essential.

The customizable disposable underpads come in a range of sizes, including 33*45, 45*60, 60*60, 60*90, 60*120, 90*90, 80*160, and 80*170, catering to different needs and preferences. Made in China, these underpads meet high-quality standards and are certified with CE, FDA, ISO9001, ISO13485, and FSC certifications.

Whether it's for medical use, childcare, or elderly care, these disposable underpads offer a reliable solution with their 3-layer construction and waterproof design. The minimum order quantity is 100,000 pieces, and the price ranges from 0.04 to 0.1 USD per piece, making them an affordable choice for bulk purchases.

When it comes to packaging, customers can choose from options like 10pcs, 15pcs, 20pcs, 30pcs, or 50pcs per pack, providing flexibility based on usage volume. With a delivery time of 10-15 days and payment terms of TT, ordering and receiving these underpads is convenient and efficient.

With a supply ability of 80,000,000 pieces per month, customers can rely on a steady source of disposable underpads to meet their needs consistently. Whether for agility training products or other applications that require waterproof disposable underlays, these customizable underpads offer a practical and cost-effective solution.
