Product Description

Our

Product Description:

An Absorbent disposable bed pads are essential for individuals needing extra protection against leaks and spills. The Disposable Underpad product offers superior protection and convenience, making it an ideal choice for everyday use. Featuring 4 adhesive strips, these Waterproof disposable underlays stay securely in place to provide reliable protection throughout the day or night. The strong adhesive strips ensure that the underpad stays in place, giving users peace of mind and comfort. Available in a variety of colors including blue, red, white, and black, these Absorbent medical bed pads cater to different preferences and needs. The colorful options add a touch of vibrancy and personalization to the user's space, making it more enjoyable to use. Also known as Adult Diaper Underpad, this product is designed to meet the needs of adults who require extra protection and absorbency. The underpad is made with fluff pulp that is sourced from the US, ensuring high quality and performance that users can rely on. Whether you're looking for a reliable solution for everyday use or need extra protection during special occasions, the Disposable Underpad product is a versatile and effective choice. The combination of absorbent materials and waterproof backing makes these underpads a must-have for anyone seeking comfort and security.

Applications:

Waterproof disposable underlays are versatile products that can be used in a variety of occasions and scenarios, making them a valuable item to have on hand. The customizable brand offers a range of model numbers including 33*45, 45*60, 60*60, 60*90, 60*120, 90*90, 80*160, and 80*170. These underpads are manufactured in China and come with certifications such as CE, FDA, ISO9001, ISO13485, and FSC. Disposable bed underpads are ideal for use in healthcare settings such as hospitals, clinics, and nursing homes. They provide a hygienic and comfortable surface for patients to rest on while protecting bedding and mattresses from leaks and spills. With a minimum order quantity of 100,000 pieces and a price range of 0.04-0.1 USD per piece, these underpads are cost-effective and efficient. Whether it's for incontinence care, post-operative recovery, or general bed protection, these underpads offer reliable performance and absorbency. The top sheet material is made of non-woven fabric, ensuring a soft and gentle feel against the skin. The fluff pulp used in the underpads is made in the US, guaranteeing quality and reliability. With packaging options ranging from 10pcs to 50pcs per pack, these underpads are convenient to store and use. The delivery time is quick, with orders typically shipped within 10-15 days. Payment terms are flexible with TT accepted, and the supply ability is high at 80,000,000 pieces per month. Adhesive strips are included for secure placement, with 4 strips ensuring the underpad stays in place during use. The lead time for orders is between 3 to 10 days, making it easy to restock and replenish supplies as needed. Overall, these waterproof disposable underlays, also known as underpad bed sheet protectors, are essential for maintaining cleanliness and hygiene in various settings. Their disposable nature makes them convenient and practical for one-time use, offering peace of mind and comfort to users.
